BHS SEMESTER ONE - 2026/2027

EXAM RULES & PROCEDURES

In preparation for exams this semester, all students must read and understand the following exam rules and procedures:

1. Rooms may have been changed, so please ensure that you confirm what room the exam is in.

2. Formal Exams are from Tuesday, January 26th to Friday, January 29th, with Monday, February 1st being the inclement weather day. The exam schedule is available on the school website and Students' Google Classrooms.

3. Formal exams from January 26 - January 29 begin at 8:15 am and run for 75 minutes, 1.5 hours or 2.0 hours. Students are responsible for arriving on time with adequate writing supplies.

4. Students arriving late for any exam must report to the office before going to the exam. Students arriving late will be given the remaining time to write the exam in the late room.

5. Exam Attendance - Examinations are clearly marked on the school calendar. If a student is absent for an examination, they must demonstrate that the absence was unavoidable. In the case of illness, a doctor's statement is required stating medically unfit for exams. If necessary, the school will arrange alternate examinations for illness or family tragedy. In the case where the absence is deemed to be invalid, the exam mark shall be zero and incomplete. The report mark shall reflect its impact, and the credit jeopardized.

6. February 1, 2027, is reserved in case of a snow day during the exam days. If buses in Zone 3 and/or Zone 4 are canceled (Brooklin HS is in Zone 4; however, we have students who are bused from Zone 3), **all exams that day will be postponed and pushed to the end of the exam schedule (February 1)**.

7. School buses will run on a regular schedule.

8. **At the conclusion of an exam students must leave school property**. The only exception to this rule is students who normally take a school bus. These students must either remain in the cafeteria or leave school property. Students are not to be in the halls while exams are in session.

9. From January 26th to February 1st, students are only to be on school property when they have a scheduled exam or unless invited by a teacher for credit completion on February 2nd.

10. The last day for cafeteria service is Monday, January 25th. Food will not be sold during the examination period.

11. The library will not be open during the examination period.

12. **Students may not bring to their seat in the examination room, any books, papers, backpacks, electronic devices (including phones, smart watches, AI – enabled glasses (such as Meta Ray Bans) non-wired headphones Air Pods, etc.) or other aids unless the use of such material/equipment is authorized by the teacher on the examination paper. If such materials are brought to an exam room, students will be required to leave them at the front of the room. Using/possessing unauthorized material or electronic devices (smartphones, smartwatches, AI – enabled glasses, Air Pods, etc.) during an exam may be perceived as cheating.**

13. Students shall not communicate with one another in any manner whatsoever during the examination. Communicating with another student during an exam may be perceived as cheating.

14. If a student is suspected of cheating or assisting someone else to cheat, at the end of the exam, the student and their examination papers will be brought to the office. A mark of zero or other school consequences may be assigned by an administrator.

15. Students may not leave the examination room ***unescorted*** for any reason, and this includes using the washroom.

16. Students writing 75 minutes or 1.5-hour exams must remain in the exam room for the full time of the exam. Students writing a 2-hour exam may only leave after 1.5 hours or stay for the duration of the exam.

17. Tuesday, February 2, is Credit Completion Day and exam review. Students may come to the school to review their final exam with their teacher from 8:00 am to 10:15 am. Credit completion is at the professional judgment and discretion of the classroom teacher. Teachers will contact students and parents before and/or after exams for those who require credit completion. Students may complete the work in person, at the school, or virtually.

Good luck on your exams!
