MORE HIGHLIGHTS OF THE YEAR

- The Keewatin Branch closed due to structural concerns. We quickly added weekly home deliveries and a Keewatin Book Pick Up location throughout the service disruption.
- A new microfilm reader and printer was purchased to replace the aging machine that was becoming unreliable and would no longer print.
- The Children's Department was renamed the Eryn Roussin Children's Library, in honour of the late, long time librarian Eryn Roussin.
- Staff created four TV segments for the local Rogers TV station discussing library services!
