Summer Newsletter 2026

Mayor's Message

Finally, summer is here!

After a long winter and cool spring, the sunshine and warmer weather are a welcome change. With the school year coming to an end, our parks and facilities are filling up with activity. From splash pads, pools, and day camps to ball diamonds, soccer fields, pickleball, and roller skating, there are plenty of ways for families and kids to enjoy the season.

A big thank you to our 43 summer students working in Recreation, Public Works, Building, Clerks, and Economic Development. Their hard work helps keep our programs running and our community looking its best all summer long.

Enjoy the season, stay safe, and take time to enjoy everything Arran-Elderslie has to offer.

Steve Hammell
