Warden's Statement on the Death of Past Council Member Todd Kasenberg

November 26, 2026

It is with profound sadness that we have learned of the sudden and unexpected passing of former Perth County Council member Todd Kasenberg. County Council and Staff offer their heartfelt condolences to former Councillor Kasenberg's family and friends as well as to the Council and Staff of the Municipality of North Perth at this difficult time.

First elected as Mayor of North Perth in 2018, Todd Kasenberg served two terms on County Council as one of three North Perth representatives until 2026. Todd brought a thoughtful approach to his time on County Council and was exceedingly proud of the North Perth community he represented. He was a diligent advocate, often joining staff at a variety of delegation meetings with Provincial ministries over the course of his tenure. He was particularly committed to advancing the issue of affordable housing and ensuring Perth County was a place where everyone could thrive.

In honour of Todd's life and his public service to our County, flags at County facilities will be lowered until the day of his funeral.

Sue Orr
Warden, Perth County
