PW-RFP-006-2026

Request for Proposal

Consultant Services – Transit Hub & Community Space

Addendum No. 02
(to the Request for Proposal Document)

The Request for Proposal (RFP) is modified as set forth in this Addendum. The original RFP Documents and any previously issued addenda remain in full force and effect, except as modified by this Addendum, which is hereby made part of the RFP. Respondents shall take this Addendum into consideration when preparing and submitting its Proposal.

1. **Survey Information**

For information purposes, Proponents are advised that the City of Temiskaming Shores has retained a professional surveyor to complete a legal boundary and topographic survey of the project area.

The survey information, including electronic CAD files, will be made available to the successful Proponent for use in the preparation of the project design. The successful Proponent will be required to utilize the survey information provided by the City as the basis for the proposed site design.

This information is provided for clarification purposes only and does not alter the overall scope of work or submission requirements outlined in the RFP.

No extension to the proposal submission deadline will be granted as a result of this Addendum.
