

**MUNICIPALITY OF BRIGHTON
NOTICE OF PUBLIC OPEN HOUSE
OFFICIAL PLAN & ZONING BY-LAW REVIEW**

Public Open House #1 - Project Introduction & What We Heard

The Municipality of Brighton invites residents, property owners, businesses, community organizations and other interested stakeholders to attend the first Public Open House for the Official Plan and Zoning By-law Review Project.

OFFICIAL PLAN REVIEW

The Municipality is preparing a new Official Plan to guide how Brighton grows and develops over the long term. The review will consider matters such as housing, growth management, agriculture, natural heritage, transportation and community development. The Open House will introduce the project, outline the review process, share key community survey findings and provide an opportunity to identify matters that should be considered as new policies are prepared.

ZONING BY-LAW REVIEW

The Municipality is also updating its Zoning By-law. The Zoning By-law implements the Official Plan through detailed regulations affecting the use and development of land, including permitted uses and development standards. The review will modernize the document and align it with the new Official Plan. The Open House will explain how the two documents work together and provide an opportunity to ask questions and share input.

EVENT DETAILS

Date: Tuesday, December 1, 2026

Time: 6:00 p.m. - 8:00 p.m.

Location: Owen Gibb Community Centre, Brighton, Ontario

EVENING PROGRAM

6:00 - 6:30 p.m. | Drop-in Open House: View displays and speak with municipal staff.

6:30 - 7:10 p.m. | Formal Presentation: Project overview, survey findings, planning themes and next steps.

7:10 - 8:00 p.m. | Questions, Discussion & Community Feedback: Ask questions and share your input.

WHAT HAPPENS NEXT?

Feedback from this Open House will help inform draft planning policies. A second Public Open House, Draft Policy Directions, will be held later to present emerging policy directions and provide further opportunities for community input.
