

THE CORPORATION OF THE TOWNSHIP OF CRAMAHE

TENDER NO. 2026-03

Various Road Surface Treatments

Tim Gilligan,
Assistant Manager & Compliance Coordinator
Tel: 905-355-2821 Ext 126
tgilligan@cramahe.ca

TENDER CLOSING DATE: Wednesday, September 9th, 2026, 02:00 p.m. Local Time

GENERAL CONDITIONS

Having examined the Tender as listed herein and Schedules attached, all as issued by the Township of Cramahe, we hereby offer to enter into a Contract to perform the Work required by the Bid Documents in Canadian funds.

Article I. Declarations

We hereby declare that:

- 1) We agree to complete the work in compliance with the Tender on or before **September 30th, 2027.** The Contract shall be for a three (3) year term starting on the date of the original Contract commencement;
- 2) No person, firm, or corporation other than the undersigned has any interest in this Bid or in the proposed Contract for which this Bid is made;
- 3) This Bid is open to acceptance for a period of 90 days from the date of the bid closing;
- 4) In submitting this Bid, we recognize that the Municipality may accept any Bid, or elect to reject all bids;
- 5) The Bid price shall be formatted in dollars per square meter of road surface based upon the requirements of the OPSS. See Bid form under "Schedule C" Scope of Work;
- 6) Lowest or any tender not necessarily accepted;
- 7) The Vendor agrees to indemnify and save the Municipality harmless to public and private property from any and all claims and demands whatsoever, arising from or in any way connected with property damage while performing services for the Township of Cramahe;
- 8) **The awarding of this Tender is subject to the approval of the Township of Cramahe Council;**

The undersigned, proposer agrees to supply and deliver all goods and/or services for price(s) proposed to the Corporation of the Township of Cramahe in accordance with all terms, specifications and conditions specified herein.

1.0 INSTRUCTIONS TO BIDDERS

Article II. Submittals Procedure

- 1.1 All Tenders shall be delivered to the Township of Cramahe, as described in 1.5. Tenders delivered after the said time will be returned unopened. All Tenders must clearly indicate "Tender for Various Road Surface Treatments", the Bidders name and address.
- 1.2 The lowest or any Tender will not necessarily be accepted, and the Municipality reserves the right to reject all Tenders submitted or select options from various Tenders or to select any Tender for reasons deemed to be in the best interests of and for the best value for the Municipality.
- 1.3 Bidders must complete all parts of the Tender in accordance with the Tender documents as specified herein.
- 1.4 Quantity of Responses

One (1) hard copy tender(s) delivered to the location at the date and time are requested.

- 1.4.1 All tenders must be comprehensive and in sufficient detail so as to permit complete evaluation in accordance with the criteria set out herein. These tenders must be copies of the complete response submitted in **sealed packaging and signed by an authorized officer of the bidder.**

1.5 Time, Date, and Address for Response Submission

The Tender documents described in 1.1 above shall be submitted to the following individual, on or before 2:00 p.m. (local time) on **September 9, 2026**, to the following:

Attention: Tender 2026-03, Various Road Surface Treatments

Address: The Corporation of the Township of Cramahe
Public Works Department
1 Toronto Street, P.O. Box 357
Colborne, Ontario K0K 1S0
Attention: Tim Gilligan, Assistant Manager & Compliance Coordinator

Phone: 905-355-2821

The Tenders will be opened in Council Chambers at the Townhall

1.6 Language of Response Submissions

Tenders and related documents shall be submitted in English.

2.0 BIDDERS INFORMATION

This Tender is for a qualified contractor, to recommend, provide detailed cost information and conduct the works required to complete the Various Road Surface Treatments for the Township of Cramahe, 1 Toronto Street, P.O. Box 357, Colborne, Ontario.

3.0 FACSIMILE OR ELECTRONIC BIDS

Facsimile or Electronic Bids will not be accepted. Bids must be legible, written in ink or typewritten.

Tenders written in pencil will not be considered.

4.0 TENDERPRICES

Bid Prices must be valid for 90 days after the Tender closing date stated herein. After this time elapses, the bids may only be accepted with the consent of the successful bidder.

5.0 NEGOTIATIONS

The Township of Cramahe reserves the right to enter into negotiations with the selected Proponent. If the Municipality and the selected Proponent cannot negotiate a successful contract, the Municipality may terminate the negotiations and begin negotiations with the next selected Proponent. This process will continue until a contract has been executed or all Proponents have been rejected. No Proponent shall have any rights against the Municipality arising from such negotiations.

6.0 Bidders **must** bid on all sections. The lowest or any bids not necessarily accepted.

QUESTIONS

1. Questions concerning General Conditions or Scope of Work must be communicated to the Administrative & Compliance Coordinator for clarification. Any material changes resulting from inquiries will be documented in writing to the bidders prior to the closing date and time.
2. Bidders are requested to make all inquiries prior to **September 3rd, 2026** at 4:00 pm.
3. Person to contact: Tim Gilligan
Assistant Manager & Compliance Coordinator
Tel: 905-355-2821 ext. 126
Email: tgilligan@cramahe.ca
5. All inquiries and communications with The Township of Cramahe about this Tender throughout the bid period are only to be directed to the individual identified in this, Section: Questions, Section 3.

Non-compliance with this condition during the bid period may (for that reason alone) result in disqualification of the bidders offer.

PAYMENT

1. Payment may be made 30 days after delivery pursuant to the Bidder submitting an invoice, contract requirements being completed, and work being deemed satisfactory.

SCHEDULE “B” – STANDARD TERMS & CONDITIONS

1. DEFINITIONS

- Municipality: The Corporation of the Township of Cramahe, its successors and assigns.
- Bidder: The person, firm or corporation submitting a Bid to the Municipality.
- Contractor: The person(s), contractor(s), firm(s) or corporation(s) to whom the Municipality has awarded the Contract, its successors and assigns.
- Contract: The purchase order authorizing the Contractor to perform the work, purchase order alterations, the document and addenda, the bid and surety.
- Subcontractor: A person(s), firm(s) or corporation(s) having a contract with the Contractor for any part of the work.
- Document: The document(s) issued by the Municipality in response to which bids are invited to perform the work in accordance with the specifications contained in the document.
- Bid: An offer by a Bidder in response to the document issued by the Municipality.
- Equipment: The materials, machinery, assemblies, instruments, devices, or articles as the case may be, or components thereof, which are the subject of the Contract.
- Work: All labour, materials, products, articles, fixtures, services, supplies, and acts required to be done, furnished and/or performed by the Contractor, which are subject to the Contract.

2. SUBMISSION OF TENDERS

Tender invitation shall be in accordance with the Township of Cramahe Procurement By-law 2020-77 and will apply for the calling, receiving, and opening of Tenders. The Municipality will be responsible for evaluating tenders, awarding, and administering the contract in accordance with the Procurement By-law.

The tender must be submitted on the form(s) supplied by the Municipality unless otherwise provided herein. The envelope must not be covered by any outside wrappings, i.e. courier envelopes or other coverings.

The Tender must be signed by a designated signing officer of the Bidder.

Tenders must be legible, written in ink or typewritten. Erasures, over-writing or strike outs must be initialed by the Bidder's authorized signing officer.

The Tender must not be restricted by a covering letter, a statement added, or by alterations to the document unless otherwise provided herein.

Failure to return the document or invitation may result in the removal of the Bidder from the Municipality's bidder's list.

Tenders received after the closing date and time will not be considered and will be returned, unopened.

Should a dispute arise from the terms and conditions of any part of the contract, regarding meaning, intent or ambiguity, the decision of the Municipality shall be final.

FAX Tenders are not acceptable.

3. CONTRACT DOCUMENTS AND ORDER OF PRECEDENCE

The Contract documents shall consist of all the pages of the Tender documents issued by the Municipality and the Contractor's Tender. Do not remove any pages from the Tender document.

The Contract and portions thereof, take precedence in the order in which they are named above, notwithstanding the chronological order in which they are issued or executed.

Amendments to the Contract, in the form of Change Notices shall take precedence over the documents or portions thereof amended thereby.

Change Notices, Appendices, and Addenda to any Contract document shall be considered part of such document.

The intent of the Contract is that the Contractor shall supply equipment, materials, or services complete and suitable for the Municipality's intended use.

None of the conditions contained in the Bidder's standard or general (printed) conditions of sale shall be of any effect unless explicitly agreed to by the Municipality and set forth or specifically referred to therein.

The Contract shall be governed and interpreted in accordance with the laws of the Province of Ontario.

4. CLARIFICATION OF TENDER DOCUMENTS

Any clarification of the Tender documents required by the Bidder prior to submission of its Tender shall be requested through the Municipality's contact identified in the document. Any such clarification so given shall not in any way alter the document and in no **case shall** oral arrangements be considered.

No officer, agent or employee of the Municipality is authorized to alter orally any portion of these documents. During the period prior to submission of Tenders, alterations will be issued to Bidders as written addenda. The Bidder shall list in its Tender all addenda that were

considered when its Tender was prepared.

5. PROOF OF ABILITY

The Bidder may be required to show, in terms of experience and facilities, evidence of its ability, as well as that of any proposed subcontractor, to perform the work by the specified delivery date.

6. DELIVERY

Unless otherwise stated, the work specified in the bid shall be delivered or completely performed by the Contractor as soon as possible and in any event within the period set out herein as the guaranteed period of delivery or completion after receipt of a purchase order therefore.

A detailed delivery ticket or piece tally, showing the exact quantity of goods, materials, articles or equipment, shall accompany each delivery thereof. Receiving by a foreperson, storekeeper or other such receiver shall not bind the Municipality to accept the work covered thereby, or the particulars of the delivery ticket or piece tally thereof.

Work shall be subject to further inspection and approval by the Municipality.

The Contractor shall be responsible for arranging the work so that completion shall be as specified in the Contract.

Time shall be of the essence of the Contract.

7. PRICING REQUIREMENT

Prices shall be in Canadian Funds, quoted separately for each item stipulated, F.O.B. destination.

Prices shall remain firm and fixed for the first year of the Contract. For the remaining two (2) years of the Contract term, the Contractor may request an adjustment to the Contract prices based on the Consumer Price Index (CPI). Any requested adjustment must be submitted to the Municipality for approval and shall not take effect unless agreed to in writing by both the Municipality and the Contractor.

Prices proposed must include all incidental costs and the Contractor shall be deemed to be satisfied as to the full requirements of the Tender. No claims for extra work will be entertained and any additional work must be authorized in writing prior to commencement. Should the Contractor require more information or clarification on any point, it must be obtained prior to the submission of the Tender.

Payment shall be full compensation for all costs related to the work, including operating and overhead costs to provide work to the satisfaction of the Municipality.

All prices tendered shall include applicable taxes, customs duty, excise tax, freight, insurance, and all other charges of every kind attributable to the work. Harmonized Sales Tax shall be

shown as extra, unless otherwise specified.

If the Bidder intends to manufacture or fabricate any part of the work outside of Canada, it shall arrange its shipping procedures so that its agent or representative in Canada is the importer of record for customs purposes.

Should any additional tax, duty or any variation in any tax or duty be imposed by the Government of Canada or the Province of Ontario become directly applicable to work specified in this document subsequent to its submission by the Bidder and before the delivery of the work covered thereby pursuant to a purchase order issued by the Municipality appropriate increase or decrease in the price of work shall be made to compensate for such changes as of the effective date thereof.

8. TERMS OF PAYMENT

Where required by the Construction Act, appropriate monies may be held back until 60 days after the completion of the work.

Payments made hereunder, including final payment, shall not relieve the Contractor from its obligations or liabilities under the Contract.

Acceptance by the Contractor of the final payment shall constitute a waiver of claims by the Contractor against the Municipality, except those previously made in writing in accordance with the Contract and still unsettled.

The Municipality shall have the right to withhold from any sum otherwise payable to the Contractor such amount as may be sufficient to remedy any defect or deficiency in the work, pending correction of it.

Payment may be made 30 days after delivery pursuant to the Bidder submitting an invoice, contract requirements being completed, and work being deemed satisfactory.

9. ALTERNATES

Any opinion with regard to the use of a proposed alternate material, product or design specification determined by the Municipality shall be final. Any Bid proposing an alternate will not be considered unless otherwise specified herein.

10. EQUIVALENCY

Any opinion determined by the Municipality with respect to equivalency shall be final.

11. ASSIGNMENT AND SUBCONTRACTING

The Contractor shall not assign or subcontract the Contract or any portion thereof without the prior written consent of the Municipality.

12. FINANCING INFORMATION REQUIRED OF THE CONTRACTOR

The Municipality is entitled to request of the Contractor to furnish reasonable evidence that financial arrangements have been made to fulfill the Contractor's obligations under the Contract.

13. LAWS AND REGULATIONS

The Contractor shall comply with relevant Federal, Provincial, and Municipal statutes, regulations and by-laws pertaining to the work and its performance. The Contractor shall be responsible for ensuring similar compliance by its suppliers and subcontractors.

14. CORRECTION OF DEFECTS

If at any time prior to one year (or specified warranty/guarantee period if longer than one year) after the actual delivery date of the equipment, material or service any part of the equipment or material becomes defective or is deficient or fails due to defect in design, material or workmanship, or otherwise fails to meet the requirements of the Contract, then the Contractor, upon request, shall make good every such defect, deficiency or failure without cost to the Municipality. The Contractor shall pay all transportation costs for parts and/or equipment, and/or material both ways between the Contractor's factory or repair depot and the point of use.

15. BID ACCEPTANCE

The Municipality reserves the right to award by item, or part thereof, groups of items, or parts thereof, or all items of the Tender, and to award contracts to one or more bidders submitting identical Tenders as to price; to accept or reject any Tender in whole or in part; to waive irregularities and omissions, if in so doing, the best interests of the Municipality will be served. No liability shall accrue to the Municipality for its decision in this regard.

Tenders shall be irrevocable for 60 days after the official closing time.

The acceptance of any Tender is subject to appropriate funding acceptable to the Municipality.

The placing in the mail or delivery to the address given in the Tender of a notice of award to a bidder by the Municipality shall constitute notice of acceptance of Contract by the Municipality to the extent described in the notice of award.

16. TENDER PROCEDURES

Tenders will be called, received, evaluated, accepted, and processed in accordance with the Municipality's purchasing and tendering procedures.

17. DEFAULT BY CONTRACTOR

- a) **If the Contractor:** commits any act of bankruptcy; or if a receiver is appointed on account of its insolvency or in respect of any of its property; or if the Contractor makes a

general assignment for the benefit of its creditors; then, in any such case, the Municipality may, without notice, terminate the Contract.

- b) **If the Contractor:** fails to comply with any request, instruction or order of the Municipality; or fails to pay its accounts; or fails to comply with or persistently disregard statutes, regulations, by-laws or directives of relevant authorities relating to the work; or fails to perform the work with the skill and diligence; or assigns or sublets the Contract or any portion thereof without the Municipality's written consent; or refuses to correct defective work; or is otherwise in default in carrying out its part of any of the terms, conditions and obligations of the Contract, then, in any such case, the Municipality may, upon expiration of ten days from the date of written notice to the Contractor, terminate the Contract.
- c) Any termination of the Contract by the Municipality, as aforesaid, shall be without prejudice to any other rights or remedies the Municipality may have and without incurring any liability whatsoever in respect thereto.
- d) If the Municipality terminates the Contract, it is entitled to:
 - i) take possession of all work in progress, materials and construction equipment then at the project site (at no additional charge for the retention or use of the construction equipment), and finish the work by whatever means the Municipality may deem appropriate under the circumstances.
 - ii) withhold any further payments to the Contractor until the completion of the work and the expiry of all obligations under the Correction of Defects section.
 - iii) recover from the Contractor loss, damage and expense incurred by the Municipality by reason of the Contractor's default (which may be deducted from any monies due or becoming due to the Contractor, any balance to be paid by the Contractor to the Municipality).

18. **CONTRACT CANCELLATION**

The Municipality shall have the right, which may be exercised from time to time, to cancel any uncompleted or unperformed portion of the work or part thereof. In the event of such cancellation, the Municipality and the Contractor may negotiate a settlement. The Municipality shall not be liable to the Contractor for loss of anticipated profit on the cancelled portion or portions of the work.

19. **QUANTITIES**

Unless otherwise specified herein, quantities are shown as approximate, are not guaranteed to be accurate, are furnished without any liability on behalf of the Municipality and shall be used as a basis for comparison only.

Payment will be by the unit complete at the bid price on actual quantities deemed acceptable by the Municipality.

20. **SURETY**

The successful tenderer shall, if the Municipality in its absolute discretion so desires, be

required to satisfy surety requirements by providing a deposit in the form of a certified cheque, bank draft or money order or other form of surety, in an amount determined by the Municipality. This surety may be held by the Municipality until 60 days after the day on which all work covered by the Contract has been completed and accepted. The surety may be returned before the 60 days have elapsed providing satisfactory evidence is provided that all liabilities incurred by the Contractor in carrying out the work have expired or have been satisfied and that a Certificate of Clearance from the WSIB - Workplace Safety Insurance Board has been received.

The Contractor shall, if the Municipality in its absolute discretion so desires, be required to satisfy fidelity bonding requirements by providing such bonding in an amount and form determined by the Municipality.

Failure to furnish required surety within two weeks from date of request thereof by the Municipality shall make the award of the Contract by the Municipality subject to withdrawal.

21. INSURANCE

The Contractor shall maintain and pay for Comprehensive General Liability insurance including premises and all operations. This insurance coverage shall be subject to limits of not less than \$3,000,000.00 inclusive per occurrence for third party Bodily Injury and Property Damage or such other coverage or amount as may be requested.

The policy shall include the Municipality as an additional insured in respect of all operations performed by or on behalf of the Contractor. A certified copy of such policy or certificate shall be provided to the Municipality prior to commencement of the work. Further certified copies shall be provided upon request.

22. LIABILITY

The Contractor agrees to defend, fully indemnify, and save harmless the Municipality from all actions, suits, claims, demands, losses, costs, charges, and expenses whatsoever for all damage or injury including death to any person and all damage to any property which may arise directly or indirectly by reason of a requirement of the Contract, save and except for damage caused by the negligence of the Municipality or its employees.

The Contractor agrees to defend, fully indemnify, and save harmless the Municipality from any and all charges, fines, penalties and costs that may be incurred or paid by the Municipality if the Municipality or any of its employees shall be made a party to any charge under the Occupational Health and Safety Act in relation to any violation of the Act arising out of this Contract.

23. VISITING THE SITE

The Contractor shall carefully examine the site and existing surroundings affecting the proper execution of the work and obtain a clear and comprehensive knowledge of the existing conditions. No claim for extra payment will be allowed for work or difficulties encountered due to conditions of the site which were visible or reasonably inferable, prior to the date of submission of Tenders. Bidders shall accept sole responsibility for any error or neglect on their part in this respect.

24. SAFETY

The Contractor shall obey all Federal, Provincial and Municipal Laws, Act, Ordinances, Regulations, Orders-in-Council and By-laws, which could in any way pertain to the work outlined in the Contract or to the Employees of the Contractor.

Without limiting the generality of the foregoing, the Contractor shall satisfy all statutory requirements imposed by the Occupational Health and Safety Act and Regulations made thereunder, on a Contractor, a Constructor and/or Employer with respect to or arising out of the performance of the Contractor's obligations under this Contract.

The Contractor shall be aware of and conform to all governing regulations including those established by the Municipality relating to employee health and safety. The Contractor shall keep employees and subcontractors informed of such regulations.

The Contractor shall provide Material Safety Data Sheets (MSDS) to the Municipality for any supplied Hazardous Materials.

25. UNPAID ACCOUNTS

The Contractor shall indemnify the Municipality from all claims arising out of unpaid accounts relating to the work. The Municipality shall have the right at any time to require satisfactory evidence that the work in respect of which any payment has been made or is to be made by the Municipality is free and clear of liens, attachments, claims, demands, charges, or other encumbrances.

26. SUSPENSION OF WORK

The Municipality may, without invalidating the Contract, suspend performance by the Contractor from time to time of any part or all of the work for such reasonable period of time as the Municipality may determine.

The resumption and completion of work after the suspension shall be governed by the schedule established by the Municipality.

27. CHANGES IN THE WORK

The Municipality may, without invalidating the Contract, direct the Contractor to make changes to the work. When a change causes an increase or decrease in the work, the Contract price shall be increased or decreased by the application of unit prices to the quantum of such increase or decrease, or in the absence of applicable unit prices, by an amount to be agreed upon between the Municipality and the Contractor. All such changes shall be in writing and approved by the Municipality.

28. MUNICIPAL FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY ACT (MFIPPA)

All correspondence, documentation, and information provided to staff of the Municipality by every Bidder, including the submission of Tenders, shall become the property of the Municipality,

and as such, is subject to the Municipal Freedom of Information and Protection of Privacy Act, and may be subject to release pursuant to the Act.

Bidders are reminded to identify in their Tender material any specific scientific, technical, commercial, proprietary, or similar confidential information, the disclosure of which could cause them injury. Complete Tenders are not to be identified as confidential.

29. DISCLOSURE

The total number of Tenders and the name of each Bidder will be made available at the public Tender opening. After the Tender opening, requests may be submitted to the Municipality for the results, and only the total number of Tenders and the name of each Bidder as read out at the Tender openings will be given in the reply.

SCHEDULE “C” – SCOPE OF WORK

1.0 PURPOSE

The Township of Cramahe is seeking Tenders from a qualified contractor to recommend, provide detailed cost information and complete the works required to apply single and double surface treatments to various roads within the Township of Cramahe.

2.0 BACKGROUND

As a part of the Township of Cramahe annual road repair and replacement program, various roads have been identified as needing to have surface replaced or additional layer added to keep in good condition. These roads exhibited attributes that required single and or double lifts made to surfaced to improve ease of use for the public and better facilitate maintenance operations. Roads needing resurfaced will be determined on a yearly basis over the 3-year term of Contract.

3.0 PROJECT SCOPE

The following is a general but not necessarily complete, description of the works to be constructed for Municipality:

The supply of materials, labour and equipment to re-surface approximately 98,000 SqM of surface treated rural roadways. Municipality will supply the clear stone, and the Contractor is to spread the clear stone.

The resurfacing will consist of 1 & 2 layers of Hi-Float Emulsion Treatment as noted. Generally, work as outlined in the Form of Tender is to be constructed to the Ontario Provincial Standard Specifications (OPSS) and various other Specifications they refer to unless otherwise stated in the Special Provisions forming part of these Contract Documents.

It is the Municipality's intent to award the works to one prospective Tenderer.

The various OPSS referred to in the Form of Tender are not included in these Contract Documents. It is the Tenderer's and Contractor's responsibility to obtain the current issue of these Specifications.

Itemized Bid

Various Roads	Approx. 32,000 SqM		
Subtotal			
HST			
Total			

4.0 SPECIFICATIONS

The Contractor will be responsible for ensuring that the following requirements are met:

Single Lift / Double Lift

- a. The high float surface treatment shall be applied in accordance to OPSS 304
- b. The Contractor shall use a HF150SP Emulsion
- c. The Contractor shall supply all labour, fuel, materials, and equipment to apply and construct the single / double surface treatments in accordance with **all current** OPSS and as directed by the Municipality.
- d. The Municipality will supply 3/8 and 5/8 clear stone for the top course and granular A for base course.

Warranty

The Contractor shall warrant and correct, at no additional cost to the Municipality, defects, or deficiencies in the work, which appear prior to and during the period of one year from the date of Final Completion of the Work

Project Timeline Requirements

Contractor work to begin, no later than **July 17th, 2027** and work shall be totally completed by **September 30th, 2027.**

5.0 TENDER SUBMISSIONS

Each Tender shall:

- a) Identify the name and contact information of the Project Manager.
- b) Describe the Contractor's experience and similar projects completed.
- c) Provide a detailed explanation of the overall approach to each portion of the project, including proposed techniques and materials used, and provide a functional drawing of the works proposed.
- d) Provide the total upset limit cost to complete each project, including disbursements. This shall include a breakdown of estimated hourly rates, material quantities and unit prices.
- e) Provide a work schedule for each portion of the project, including all restoration works required.

6.0 RESPONSIBILITIES OF THE CONTRACTOR

The Contractor shall be responsible for all of the following requirements:

- a) Maintain a safe workplace/work site in accordance with standard safe work practices and housekeeping.
- b) Compliance with the Occupational Health and Safety Act of Ontario and regulations;
- c) Maintain knowledge of, and be required to comply with, any appropriate safe work practices;

- d) Co-ordinate activities to prevent the disruption of services and operations of the Municipal Departments and Utility Agencies;
- e) Obtain all required permits and utility locates required to conduct the proposed works;
- f) Provide proof of WSIB coverage and liability coverage throughout the duration of each project;
- g) Obey all Federal, Provincial and Municipal Laws, Acts, Ordinances, Regulations, Orders-in-Council and By-laws, which in any way could pertain to the work outlined in the Contract or to the Employees of the Contractor.

7.0 PROJECT ADMINISTRATION

Key municipal staff will be available to provide input and feedback to the Contractor throughout the process. Meetings with applicable staff will be scheduled as required.

All costs associated with the project shall not exceed the Upset Cost Limit provided in the tendered Tender unless the appropriate “Change in Work” procedures have been followed.

Payments for the work completed will be in accordance to the stipulations set out in the General Conditions of this document and shall be based on Time and Materials used by the Contractor to complete the works set out or otherwise amended through the “Change in Work” process. Payment will only be remitted upon **completion of the entire project** in accordance with Tender Document and to the satisfaction of the Township of Cramahe.

SCHEDULE (D) - TENDER EVALUATION FORM**VARIOUS ROAD SURFACE TREATMENTS - TENDER EVALUATION FORM**

The selection of the winning Tenders will be based on a numerical scoring system. There are nine categories by which the Tenders will be evaluated.

A committee of representatives from the Cramahe Township Public Works Department will evaluate the bid submissions.

<u>CATEGORY</u>	<u>POSSIBLE SCORE</u>	<u>ACTUAL SCORE</u>
a. Experience and Qualification of Contractor <i>Provide a Contractor profile, and describe the experience of the Contractor in the field of municipal construction, with a similar scope of work, or within a similar field</i>	20	
b. Demonstrated Understanding of Objectives/Scope of Work <i>The functional drawing and Tender is to demonstrate the Contractor's understanding of the assignment, including the overall scope and objectives, noting any specific issues that may require extra attention</i>	15	
c. Approach and Methodology <i>The functional drawing and Tender is to demonstrate the Contractor's comprehensive approach and methodology to be followed in completing all aspects of the assignment, clearly illustrating the final product for each project.</i>	10	
d. Proposed Work Plan, Schedule and Level of Effort <i>The Proponent is to provide a firm schedule, to include all aspects of the project, including all restorative works required.</i>	10	
e. Quality of Submission <i>The quality of the submission will also be evaluated based on compliance, completeness, organization, and innovativeness of the Tender</i>	10	
f. Knowledge of Municipality	5	
g. Unit Prices <i>The Proponent is to provide firm unit prices, to include all fees and disbursements, materials, labour, and equipment used to complete the entire assignment in accordance with the services detailed herein and in the Proponent's Tender</i>	15	
h. Cost (total upset limit costs) <i>The Proponent is to provide a firm upset limit price, to include all fees and disbursements, materials, labour, and equipment used to complete the entire assignment in accordance with the services detailed herein and in the Proponent's Tender</i>	15	
TOTAL	100
