

STUDENTS

Student Medical Information

- 1.0** Parents must be informed that it is their responsibility to inform the school of any medical problems of which they feel the school should be aware.
- 2.0** The Durham District School Board recommends a regular medical examination.
- 3.0** On any extended class excursion and particularly for "out-of-province" excursions, it is in the best interest of both the parent and the student that they purchase extended health insurance.
