

INSTRUCTION

Alternative Education

- 1.0 Anyone intending to initiate an Alternative Education proposal shall inform the Superintendent of Education/Program and Curriculum prior to developing a detailed proposal.
 - 1.1 Alternative Education proposals shall only be considered if they involve a viable number of students.
 - 1.2 Alternative Education proposals may be considered by the following:
 - (a) Administrative Council
 - (b) The Durham District School Board.

Note: The Durham District School Board has final approval of any proposal.
 - 1.3 A written Alternative Education proposal should include the following:
 - (a) General Aims - A statement of the purpose of the program.
 - (b) Rationale - A concise statement of characteristics that make this an alternative program and the educational need it will meet.
 - (c) Specific Objectives - Statements of anticipated learning outcomes.
 - (d) Resources - An outline of materials, textbooks, facilities, staff, transportation consideration, etc.
 - (e) Content - The subject matter of course of study required.
 - (f) Teaching Methods/Learning Strategies/Activities.
 - (g) Student Evaluation Procedures.
 - (h) Cost Estimates.
 - (i) Communication and Publicity.
 - 1.4 Once an alternative program is approved, steps for implementation will be developed with administrative staff. Specific procedures will be detailed and a time-line produced.
 - 1.5 Alternative Education proposals must include a time-line and procedure to evaluate the overall program.
 - 1.6 An inventory of existing Alternative Education programs shall be maintained.
