

COMMUNITY

Partnerships, Facility Partnerships, Sponsorships and Donations

- 1.0 The Durham District School Board (the Board) supports, encourages, and facilitates the development of partnerships between the Board or its schools and the larger community.
- 1.1 The primary objectives of partnerships are to support curriculum delivery and enhance the quality and relevance of learning.
- 1.2 Partnerships, sponsorships, and donations are mutually beneficial to schools and the community.
- 1.3 All partnerships, sponsorships, and donations must comply with individual school improvement plans and the Board's mission, statements of values, and system plan.
- 1.4 The additional resources gained through partnerships, sponsorships, and donations are to complement, not replace public funding for education.
