Getting Started with Local Offer

Create your account, add your business and start sharing offers in just a few minutes!

1. Create Your Account

- Visit www.localofferelliotlake.ca and scroll to the footer.
- Click **New Business? Create an Account**
- Complete your **Account & Login Details** and create a password.
- Click **Create an Account**.

Check your email! You'll receive an email to verify your address. Check your junk folder if you don't see it. Click **Verify Email**, then sign in using your email and password.

2. Add Your Business

Once signed in, you'll be on your Dashboard.

- Click **Add Business**.
- Enter your **Business Name** and **Email Address**.
- Search for your business address. Your region will be selected automatically.
- Complete the remaining business information and save.

Your business will be submitted for approval, but you don't have to wait to create your first offer!

3. Create Your First Offer

- Click **Add Local Offer**.
- Enter your **Offer Title**.
- Choose a category (and a second category, if relevant).
- Add your **Description** and **Terms & Conditions**.
- Add an expiry date or leave it blank for an ongoing offer.
- Upload an image and click **Save Changes**.

That's it! Your offer has been submitted for approval.

You're All Set!

You only need to create your account and set up your business once. After that, simply sign in whenever you'd like to add more offers.
