Successful Supplier	Barry Bryan Associates (BBA)
Contract Value	\$107,150
Date of Award	June 15, 2026
Non-Competitive Justification	At the time the procurement was initiated, the estimated contract value was approximately \$70,000, which was within the Township's informal invitational quotation threshold under the Procurement Policy. An invitational quotation process was therefore undertaken in accordance with the Policy. Following receipt and evaluation of quotations, the bid prices exceeded the original estimate. Council subsequently approved the additional funding and authorized the contract award.
