

Fire Permit Conditions

Version: 2022-04

EXTRACTS FROM THE FOREST AND PRAIRIES PROTECTION ACT.

Alberta Queen's Printer, 2022.

Section 19 (3) A fire permit is valid only for the period for which it is issued.

- (4) A forest officer or fire guardian issuing a fire permit may endorse on the permit any special fire control conditions with which the applicant must comply in addition to the provisions of this Act and the regulations.

Section 20 A fire permit may be suspended or cancelled at any time by a forest officer or fire guardian and upon receiving notice of the suspension or cancellation the person concerned shall immediately extinguish any fire set pursuant to their permit.

Section 21 (1) For the purpose of fire control the Minister may, by order:

- (a) suspend or cancel within any part or all of Alberta all fire permits, or
(b) prohibit the lighting or require extinguishing of a fire set other than under the authority of a fire permit.
(2) An order under subsection (1) must be communicated immediately to the public by a means that the Minister considers most likely to bring the matter to the attention of the public.
(3) In any area affected by an order made pursuant to subsection (1) every person shall immediately proceed to extinguish every open outdoor fire lit by the person or under the person's authority and every fire located on land occupied or owned by the person.

Section 22 No person shall:

- (a) light an outdoor fire without first taking sufficient precautions to ensure that the fire can be kept under control at all times,
(b) light an outdoor fire when any fire hazard or burning hazard is conducive to a fire rapidly escaping out of control,
(c) fail to take reasonable steps to control a fire for the purpose of preventing it from spreading onto land other than the person's own,
(d) deposit, discard or leave any burning matter or substance in a place where it might ignite other matter and result in a fire, or
(e) conduct in a forest protection area any activity that involves the use of fire or that might reasonably be expected to cause a fire, unless the person exercises reasonable care to prevent a fire from occurring.
