Dear Minister Williams,

Re: Notice of Intermunicipal Collaboration Framework Cancellation
Lacombe County and the County of Stettler

Pursuant to the Municipal Government Act, Lacombe County and the County of Stettler have mutually determined that an Intermunicipal Collaboration Framework between the municipalities is no longer required.

By resolutions of their respective councils, Lacombe County and the County of Stettler have agreed to terminate the existing Intermunicipal Collaboration Framework. The municipalities have agreed that intermunicipal services between Lacombe County and the County of Stettler have been, and will continue to be, adequately provided through means other than an ICF, and have therefore agreed to conclude the existing framework agreement.

At its Regular Council Meeting held on September 24, 2026, Lacombe County Council passed the following resolution:

> ***Moved by Mr. West that Lacombe County Council, pursuant to MGA Section 708.28, determines and agrees that intermunicipal services with the County of Stettler have been and will continue to be adequately provided by means other than an intermunicipal framework, and that the Intermunicipal Collaboration Framework agreement dated February 2020 be concluded.***
