RE: 2026 ASSESSMENT REQUEST FOR INFORMATION - INCOME & EXPENSE DATA

Lacombe County is required to prepare an assessed value for each property in the municipality, using mass appraisal, reflecting the typical market conditions, as of July 1 each year. We are requesting the income, expense, and vacancy data related to your property to better monitor the non-residential real estate markets in Lacombe County (assessed values are supported by market data including sale prices, rents and expenses, vacancy rates, etc.). We appreciate your assistance in providing the requested information for the *most recent fiscal year ending prior to July 1, 2026*, so we can prepare accurate assessments as efficiently and equitably as possible.

This information is collected for assessment purposes as required in *Municipal Government Act* (MGA) sections 294 and 295. This information is necessary to maintain an accurate and fair assessed value for your property. An Assessor may follow-up incomplete submissions with a visit to the property, email, and/or phone call to clarify information received. An Assessment Review Board may choose not to hear a complaint about the property assessment if information is not provided in a compliant manner.

We would appreciate it if you could complete and return the attached “**Assessment Request for Information – Income/Expense**” form(s) detailing occupancy, income, and expense data for your property **before July 1, 2026**, using one of the following options:

- **Mail:** Assessment Department, Lacombe County, RR 3, Lacombe, Alberta, T4L 2N3.
- **Email:** assessment@lacombecounty.com
- **Drop off at:** Lacombe County Administration Building, 40403 Rge Rd 274.

To be considered compliant,

- *GENERAL COMMERCIAL/INDUSTRIAL Request*
 - *If the property is 'leased'* you must include both the income and expenses for each area of the property leased by a tenant, AND any vacant space not leased. If the stated rent is 'triple-net', meaning all expenses are paid directly by the tenant, please indicate expenses as you can without indicating an "X". If the stated rent is 'gross' (all expenses are paid by the land lord) or 'semi-net' (some expenses are paid the land lord) please indicate the expense paid by the landlord with an "X" next to the amount of the expense included with the rent (see second example on attached sheet).
 - *If the property is 'owner occupied'* you must submit the property expenses.
 - The submission of both a 'rent roll' AND financial statements will also be considered compliant.
- ALL OTHER REQUESTS, please complete the information on the table as provided in your survey.
 - The submission of both a 'rent roll' AND financial statements will also be considered compliant.
