LACOMBE COUNTY

CANDIDATE PROFILE

Roger Van Haren
Division 5

CURRENT OCCUPATION
Farmer

RELEVANT EXPERIENCE
I have spent nearly all my life living in Lacombe County. I am married to my wonderful wife, Katelyn, and we have been blessed with five young children. We farm with our family, raising bison and feed crops.

I have over fifteen years of experience working in a land use and stakeholder engagement role for the oil and gas and utility industries. I have served in executive leadership roles on agriculture related boards provincially and nationally as well as spending time as a volunteer teacher, coach, and church council member.

REASON FOR RUNNING
I am putting my name forward hoping to serve our community with next generation leadership. If elected, it will be my greatest goal to make stewardly decisions that serve the future of our municipality ensuring it will be a place we can prosper. My focus will be on supporting residential and industrial development, thriving agriculture, and most of all, flourishing families who call Lacombe County their home.

My goal in governing is to support hard work and individual freedoms of each county resident. I will vote for initiatives to fight rural crime. I also will strive to ensure that each tax dollar is spent prudently, respecting the ratepayer. I will stand up to ensure that Lacombe County is treated fairly by the Province of Alberta, specifically in funding for improvements to our provincial highways and the preservation of Gull Lake. I will communicate with the large industrial operations in our county encouraging them to hire our young people to serve a summer students and with the hope of obtaining long term local employment.

I will work to lead and govern with the next generation in mind, ensuring Lacombe County can remain a wonderful place for our children and grandchildren to live, work, and play.
