REASON FOR RUNNING

As your current Division 6 Councillor, I am seeking to serve again for the next four years. The first term was very interesting, challenging and rewarding. I've enjoyed representing Lacombe County on the different committees I've sat on, getting to know the people involved, and gaining a good understanding of our County's vision.

I want to thank the current Council members and County administration for their wisdom and guidance these last four years, as I believe we have truly made a great team together.

As a third-generation cattle and grain farmer located southwest of Bentley, I believe in strong communities, fiscal responsibility, a proactive Ag Service Board, and sustainable economic growth.

To the Division 6 ratepayers: I will continue to listen to your concerns and seek answers to your inquiries. Thank you for your support these past four years.
