Public Meeting Notice

Your comments are welcome on Zoning By-Law Amendment Z04-2026

Date of Public Meeting: October 6th, 2026 at 7:00pm

A change is proposed in your neighborhood:

The Applicants Cynthia Squires and Brad Irving are requesting an amendment to Zoning By-law 1 of 2003 as it affects the property known municipally as 6897 Clemens Line, Lambton Shores. The subject property is currently zoned "Residential-6 (R6)" and "Environment Protection – Wetland (EP-WET)". The R6 Zone permits a single detached dwelling and the EP-WET Zone does not permit a single detached dwelling.

The applicants propose to rezone a portion of the EP-WET Zone to R6 Zone to reflect updated wetland mapping from St. Clair Region Conservation Authority. The remainder of the property, which is part of an Area of Natural and Scientific Interest (ANSI) and Environmentally Significant Area (ESA), would be rezoned to EP-WET and "Environmental-Protection – Natural Conservation (EP-NC)". It is the intent of the applicants to construct a single detached dwelling.
