Municipal and School Board Election Biography

The Municipality is sharing the following biography exactly as submitted by each Candidate. We have not edited or revised grammar, spelling, punctuation, or verified any content.

Candidate Name: Óscar Ramírez

Office Seeking: Councillor

My name is Óscar Ramírez. I was born in Honduras and came to Canada in 1992 seeking safety and the opportunity to build a new life. I came with very little, but with a strong belief in equality, hard work, and opportunity for everyone.

I have proudly called Leamington home since 2005. As a business owner and real estate investor, I have gained practical experience in financial responsibility, housing, development, and long-term planning.

For the past 15 years, I have organized a non-profit summer soccer league bringing together temporary greenhouse workers and local families. Every Sunday during the summer, soccer brings people from different cultures together to build friendships, share traditions, and enjoy time as a community. When necessary, I have personally helped cover the league's costs to keep it going.

I am running for Town Council because I love Leamington and want to give back to the community that has given me so many opportunities.

My priorities are public safety and strong emergency services, responsible housing and growth, support for local businesses, and responsible municipal spending that delivers value for property tax dollars.

I believe in honesty, transparency, accountability, and respect. I will listen, ask difficult questions, and work toward practical solutions for Leamington's future.

I would be honoured to earn your trust and serve you on Leamington Town Council
