

NOTICE OF WATERMAIN SWABBING

MONDAY OCTOBER 26TH TO FRIDAY OCTOBER 30TH

Please be advised that the Township's contractor Ontario Clean Water Agency (OCWA), will be swabbing the watermain in your area starting Monday; October 26th and continuing until Friday; October 30, 2026. This is preventative maintenance to remove any sediment that has built up inside the watermain and to inspect for areas of potential concern if any.

Residents are being forewarned not to use your water while swabbing is in progress. It is important to remember that if you use your water during the swabbing process and experience plumbing issues, the potential costs are at the homeowner's expense. To help reduce this chance, you must turn off your water supply where it enters your home (if possible).

It is also strongly recommended to:

- Stock up on drinking water
- Keep a supply of water handy to allow for the flushing of toilets
- Turn off the power to your hot water tank

After the swabbing program has been completed in your area, the water may be turned back on and flushed through the first cold water tap in your system (remember to remove the aerator from this faucet while flushing).

WATER DISRUPTION WILL BE DURING THE FOLLOWING TIMES

10:00 PM, Monday, October 26, 2026 until 6:00 AM on October 27, 2026

10:00 PM, Tuesday, October 27, 2026 until 6:00 AM on October 28, 2026

10:00 PM, Wednesday, October 28, 2026 until 6:00 AM on October 29, 2026

10:00 PM, Thursday, October 29, 2026 until 6:00 AM on October 30, 2026

We apologize for any inconvenience this may cause. If you have any questions or require further information, please do not hesitate to contact the Public Works Department at (807) 826-3227 ext. 230.

Please note that work will only occur if weather permits. Should inclement weather cause a delay, the swabbing will be rescheduled for the following business day.

Sincerely,

Tyler Brewster

Director of Public Works

AFFECTED STREETS

Animal Area:

- Beaver Drive
- Caribou Drive
- Deer Avenue
- Lynx Avenue
- Marten Avenue
