

# Mid-Pen Transit Service DETOUR

## Yonge Street Road Closure

### Midland Route - Thursday, September 10, 2026

#### Detour Details

The Midland Transit Route requires a detour on Thursday, September 10, 2026 as a result of water infrastructure repairs on Yonge Street at Manly Street. The detour is expected to remain in place from 9:00am until 5:00pm.

During the detour, Midland buses returning from the South Midland portion of the route will turn right onto Yonge Street from King Street as usual and proceed east. Buses will then turn left onto Queen Street instead of Manly Street due to the road closure. After heading north on Queen Street, buses will turn right at Elizabeth Street. The detour route will then see buses travel east before rejoining the regular route by turning left onto Manly Street.

We apologize for any inconvenience this may cause and thank you for your patience during this detour. For more info, please contact the Town of Midland at 705-526-4275 ext. 2255.
