

School zone safety starts with all of us

Whether you're driving, walking, cycling, or taking the bus, we all play a role in keeping school zones safe.

DRIVERS AND PARENTS:

- ✓ Obey school zone speed limits, flashing lights, and parking restrictions.
- ✓ Stop for crossing guards, school buses with flashing red lights, and people using crosswalks.
- ✓ Never pass a stopped vehicle at a crosswalk.
- ✓ Follow all school drop-off and pick-up procedures
- ✓ Do not park or stop where prohibited by signage.
- ✓ Stay alert for increased traffic and pedestrian activity before and after school.

STUDENTS:

- ✓ Push the crossing button and respect pedestrian signals.
- ✓ Stay alert - put phones away and be aware as you cross the street.
- ✓ Make eye contact with drivers and wait for traffic to stop before crossing.
- ✓ Walk your bike or skateboard across intersections and crosswalks.
- ✓ If cycling, stop for stop signs, red lights, pedestrians, and school buses with flashing red lights.
- ✓ Be visible, especially during early mornings and at dusk.

EVERYONE:

- ✓ Respect the rules of the road.
- ✓ Follow all posted parking signs and regulations.
- ✓ Stay alert and look out for one another.
- ✓ Help create a safer school community.
