PLANSCAPE
Building Community Through Planning
Bracebridge, Ontario

**By-law Amendments included in the consolidation
to Zoning By-law 06-10 of the Township of Minden Hills**

This Office Consolidation is provided for convenience and ease of reference only. It comprises By-law No. 06-10 and all amendments and modifications up to December 2025. The official version of By-law No.06-10 and all amending By-laws thereto are contained in the Clerk's Department. The Corporation of the Township of Minden Hills does not verify the accuracy or completeness of the Office Consolidation and bears no responsibility or liability to any person or entity for any deficiencies, inaccuracies, errors or omissions contained in the Office Consolidation.

- + denotes additional lands zoned but did not result in an exception to the zone.
- (H) denotes a Holding Symbol as placed on the Zoning.
- B denotes circumstances in which an exception number was inadvertently duplicated; the addition of the letter following the exception is to provide clarity only.

Township Of Minden Hills

ZONING BY-LAW 06-10

Section 1: ADMINISTRATION AND INTERPRETATION

- 1.1 **TITLE:** This By-law shall be known as the “Township of Minden Hills Zoning By-law”.
- 1.2 **APPLICATION:** This By-law applies and is enforceable with respect to the whole of the Township of Minden Hills. For the purposes of this By-law, the definitions and interpretations in this By-law shall govern unless the context requires otherwise.
- 1.3 **ZONE SCHEDULES AND FIGURES:** The zones and zone boundaries are shown on Schedules 1 to 25. Schedules 1 to 25 and Tables 1 to 4 are part of this By-law. The use of Figures are for illustration purposes only and are enclosed in the Bylaw to assist the reader in understanding and applying the By-law. These Figures, however, do not form part of the By-law and, as such, where there is a discrepancy between the wording of the By-law and the Figure, the By-law's wording shall take precedence.
- 1.4 **ADMINISTRATION:** This By-law shall be administered and enforced by any person, or persons, as may be appointed for such purpose by the Council of the Township from time to time.
- 1.5 **INTERPRETATION:** For the purposes of this By-law, words used in the present tense include the future; words used in the singular number include the plural and words in the plural include the singular number; the word “shall” is mandatory; the word “may” is permissive; the words “used” and “occupied” shall include the words “arranged” and “designed to be used or occupied”.
- 1.6 **ZONE SYMBOLS:** The Zone symbols used in this By-law and on the Schedules to this By-law refer to lots, buildings and structures and other parcels of land and to the use of lots, buildings and structures and other parcels of land permitted by this By-law.
- 1.7 **EXCEPTION ZONES:** Where a zone symbol on the attached schedules is followed by one or more numbers following the dash (-) symbol (for example SR-4), the numbers following the dash (-) symbol refer to subsections in Section 5.4 (Exceptions to zones) of this By-law that apply to the lands noted.
- 1.8 **OVERLAY ZONES:** Notwithstanding any other provision of this By-law to the contrary, within the areas shown on the Schedules to this By-law as being within one or more Overlay Zones, the provisions of the Overlay Zone shall also apply. In the event of conflict between an Overlay Zone and any other Zone, the more restrictive standards shall apply.

- 1.9 **TEMPORARY USE ZONES:** Where on Schedules to this By-law, a zone symbol is preceded by the letter “T” and a dash, and followed by a number (for example T-3-RU), one or more additional uses are permitted on the lands noted until the permission granted by the Site Specific Temporary Use By-law expires. Table 5.3 identifies the Temporary Use Zones within the Municipality.
- 1.10 **HOLDING PROVISIONS:** Notwithstanding any other provision in this By-law, where a Zone symbol is followed by the letter (H), no person shall use the land to which the letter (H) applies for any use other than the use which existed on the date this By-law was passed or as provided for in Section 5.5 of this By-law, until the (H) is removed in accordance with the policies of the Official Plan and the Planning Act, as amended.
- 1.11 **INTERPRETATION OF ZONE BOUNDARIES:** Unless otherwise shown, the extent and boundary of each zone shown on the Schedules shall be a lot line, street line, centerline of street, or boundary of a registered plan.
- Where the extent and boundary of any zone is uncertain, the following provisions shall apply:
 - where a zone boundary is indicated as passing through undeveloped land, the location of such boundary shall be determined by scaling the distance on the applicable Schedule;
 - where a zone boundary is indicated as following the corporate limits of the Township, such limits shall be the zone boundary; and,
 - where a zone boundary is indicated as following a shoreline, then such zone boundary shall follow the high water mark.
- 1.12 **ZONING OF ISLANDS:** Islands without a specific zone symbol on the Schedules are zoned Open Space.
- 1.13 **HEADINGS AND USE OF FIGURES:** The headings of the Parts, Sections, Subsections and clauses of this By-law, including the Schedules, and the figures, appearing at various places throughout this By-law, have been inserted as a matter of convenience, for reference only, and in no way define, limit or enlarge the scope or meaning of this By-law or any of its provisions.
- 1.14 **TECHNICAL REVISIONS TO THE ZONING BY-LAW:** Provided that the purpose and effect of this By-law is unaffected, the following technical revisions to this By-law shall be permitted without a Zoning By-law Amendment:
- 1.14.1 Correction to grammatical, mathematical, boundary or other such errors, including minor technical revisions to the mapping consistent with the intent of this By-law and the Town’s Official Plan;
 - 1.14.2 Changes to the numbering of sections, the numbering contained in the cross referencing of sections, and the format and arrangement of the text, tables, schedules and maps, and the numbering of pages;

- 1.14.3 Corrections or revisions to the technical information contained on maps, such as the title blocks and legend;
- 1.14.4 Changes to headings, indices, table of contents, illustrations, page numbering, footers and headers, or preamble which do not form a part of this By-law and are editorially inserted for convenience of reference only.
- 1.15 **ROAD CLOSINGS:** In the event that a dedicated street or road is closed, the property formerly within such street or road shall be included within the Zone of the adjoining property on either side of such closed street or road. Where a closed street or road is the boundary between two or more different Zones, the Zone boundary shall be the former centerline of the closed street or road.
- 1.16 **SEVERABILITY:** A decision of a court that any provision of this By-law are invalid in whole or in part does not affect the validity, effectiveness or enforceability of the other provisions or parts of the provisions of this By-law.
- 1.17 **EFFECTIVE DATE:** This By-law shall come into force in accordance with the provisions of the Planning Act.
- 1.18 **REPEAL OF FORMER BY-LAWS:** By-laws 86-26 (Anson, Hindon, Minden), 4-81 (Lutterworth) and 3/78 (Snowdon) and all amendments thereto are hereby repealed.
- 1.19 **OBLIGATION:** Nothing in this By-law shall relieve any person from the obligation to comply with the requirements of the Ontario Building Code Act, any other by-law of the Township of Minden Hills, or other County of Haliburton, provincial or federal legislation.
- 1.20 **UNLAWFUL USES:** Any use established in violation of a Zoning By-law predecessor of this By-law is deemed to have been established unlawfully.
- 1.21 **INTERPRETATION OF ROADS AND ROAD ALLOWANCES:** The Schedules to this By-law show the approximate location and status of road and road allowances. They have been inserted as a matter of convenience, for reference only, and in no way define, limit or enlarge the extent, ownership or scope of municipal ownership or maintenance of roads in the Township.
- 1.22 **PREVIOUS COMMITTEE OF ADJUSTMENT DECISIONS:** Any variance granted by the Township of Minden Hills Committee of Adjustment or the Ontario Municipal Board to any predecessor of this By-law shall be deemed to be a variance to this By-law.
- 1.23 **TRANSITION PROVISIONS:** This By-law does not apply to prevent the issuance of a Building Permit for a Development for which an approval under the Planning Act has been granted for:
- a Minor Variance
 - a Zoning By-law Amendment, or;
 - Site Plan approval;

where the said Development occurs in strict accordance with the plans originally filed with the Township in support of the application for Development, or where a complete application for a building permit or Site Plan approval was made on or before the effective date of this By-law and the said complete application complied with the provisions of By-law 06-10 as it existed immediately prior to the passage of By-law 17-68.

Section 2: COMPLIANCE WITH THE BY-LAW

- 2.1 **COMPLIANCE:** No person shall change the use of any building, structure or land, or erect or use any building or structure, or occupy any land or building or create any lot except in conformity with the provisions of this By-law.
- 2.2 **REQUIREMENTS:** The provisions of this By-law shall be held to be the minimum requirement except where the word maximum is used, in which case the maximum requirement shall apply.
- 2.3 **CHANGE IN LOT SIZE:** No lot shall be changed in area, depth or width, either by the conveyance of land or otherwise, so that the lot coverage exceeds the maximum permitted by this By-law, or so that any existing or resulting lot area, dimension or yard will be less than the minimum permitted by the provisions of this By-law.
- 2.4 **CHANGE IN USE:** A use or occupation of land, building, structure, or excavation, or any activity in connection therewith which, under the provisions of this By-law, is not permissible within the Zone in which such land, building, or structure or excavation is located, shall not be changed except to a use or occupation which is permissible within such zone.
- 2.5 **PUBLIC ACQUISITION:** No person shall be deemed to have contravened any provision of this By-law by reason of the fact that any part or parts of any lot has or have been conveyed to or acquired by any Public Authority.
- 2.6 **BUILDING AND OTHER PERMITS:** No building permit or occupancy permit shall be issued where the proposed building, structure, excavation, use or activity would be in violation of any of the provisions of this By-law.
- 2.7 **ENFORCEMENT:** Any person, or corporation, who contravenes this By-law is guilty of an offence and on conviction is liable to a penalty in accordance with the Planning Act, R.S.O 1990, c.P.13, as amended.

- 3.36 **DWELLING, CONVERTED:** A dwelling constructed as a single detached dwelling, the interior of which has been altered to contain two dwelling units.
- 3.37 **DWELLING, DUPLEX:** A dwelling which is divided horizontally into two separate dwelling units, each of which has an independent entrance either directly from outside the building or through a common vestibule.
- 3.38 **DWELLING, GARDEN SUITE:** A one-unit, detached, dwelling unit that is accessory to an existing single detached dwelling and that is designed to be temporary and portable.
- 3.39 **DWELLING, MULTIPLE:** A dwelling that contains three or more dwelling units.
- 3.40 **DWELLING, SEMI-DETACHED:** A dwelling divided vertically to provide two separate dwelling units separated by a common wall, each of which has an independent entrance either directly from outside the building or through a common vestibule.
- 3.41 **DWELLING, SINGLE DETACHED:** A dwelling containing one dwelling unit.
- 3.42 **DWELLING UNIT:** a suite of habitable rooms which:

- i) Is located in a building;
- ii) Is used or intended to be used in common by the occupants as a single, independent, and separate housekeeping establishment;
- iii) Contains food preparation and sanitary facilities provided for the exclusive common use of the occupants thereof; and
- iv) Has a private entrance from outside the building or from a common hallway or stairway.

but does not include a tourist establishment, boarding house, or mobile home.

- 3.43 **DWELLING UNIT, ACCESSORY:** a dwelling unit accessory to a non-residential permitted use, that is located in a building the main use of which is that permitted use, or in a separate building that is located on the same lot as the main use. An accessory dwelling unit shall be occupied by the owner or operator of the non-residential use and/or by his or her family or employees.
- 3.44 **DWELLING UNIT, ADDITIONAL:** a self-contained dwelling unit which is accessory to the primary dwelling unit and which is located either within the principal dwelling or within an accessory structure on the same lot. Under no circumstance shall an additional dwelling unit be defined to include a sleeping cabin, truck camper, trailer, travel trailer, motor home or mobile home.
- 3.45 **DWELLING UNIT, PRIMARY:** a dwelling designed or used for the main/principal use of the lot on which the dwelling is located.
- 3.46 **DWELLING UNIT AREA:** The sum total of the areas of every storey within a dwelling unit, measured between the inside surfaces of the exterior walls of the dwelling unit. This calculation shall include all habitable rooms, all stairways, hallways, and other common areas exclusive to that dwelling unit, and the thickness of interior walls, but shall exclude:
- i) any private garage, carport, deck, veranda, attic, or unfinished basement;
 - ii) hallways, stairways and other areas common to more than one dwelling unit, and
 - iii) the thickness of exterior walls..
- 3.47 **EAVE:** A roof overhang, free of enclosing walls, without supporting columns.

- a radio or television tower or antenna,
- an air conditioner duct, and
- external equipment associated with internal building equipment, located in the Rural (RU) Zone.

4.1.8 Coverage: The maximum lot coverage of all detached accessory buildings and structures, except swimming pools and septic tile fields, is five percent (5%) of the lot area. Within an Industrial Zone, the maximum lot coverage of all accessory buildings or structures is ten percent (10%) of the lot area. This coverage is within the total coverage noted in Tables 2 and 4.

4.1.9 Shore Road Allowance: No new detached building or structure, with the exception of a means of pedestrian access, a deck, a dock or a pumphouse, shall be erected on a shore road allowance that is owned by the Township or the Crown. Where a structure is erected on a shore road allowance that is owned by the Township or the Crown, such structure shall be deemed to be an accessory use to the principal use located on the adjacent patented lot.

4.1.10 Accessory Structure Encroachments

- a) **General:** Drop awnings, clothes poles, flag poles, garden trellises, retaining walls, or signs which comply with the By-laws of the Township, are permitted in any required yard.
- b) **Fire Escapes:** Unenclosed fire escapes, in which the stairs, steps and floor are latticed in such a manner that the proportion of voids to solids is not less than two to one and in which guards, consisting of handrails and the structural members necessary for their support, may project into any required yard a maximum distance of 1.2 metres or 50% of the required yard, whichever is the lesser.
- c) **Ornamental Structures:** Sills, chimneys, cornices, eaves, gutters, parapets, pilasters, or other ornamental structures may project into any required yard a maximum distance of 0.6 metres.
- d) **Balconies, Stairs and Open Decks:** Unenclosed balconies, steps and open decks attached to a primary dwelling may project into any required yard of the principal dwelling a maximum distance of 3.5 metres (11.5 feet), provided such structure complies with Section 4.35 and the required side yard.
- e) **Utility Sheds:** A utility shed may be erected and used in any required interior side or rear yard provided that it is not located closer than the required yard or 2.0 metres to the interior side or rear lot line, whichever is less.
- f) **Gatehouse or Information Kiosk:** In a non-residential zone, a gatehouse or information kiosk may be located in any required front or side yard, provided such structure shall not be erected closer than 3 metres to the front or side lot line.

4.1.11 **Garages:** A single storey detached private garage may be erected and used in any required interior side or rear yard provided that it is no closer than the required yard or 2.0 metres to the interior side or rear lot line, whichever is less, except that common semi-detached garages may be centered on the mutual side lot line.

4.1.12 Shoreline Structures

- a) **Identification:** Shoreline structures refer to accessory buildings and structures erected at or near the shoreline in the required yard located between the shoreline and the principal building. They include buildings and structures that are attached to the land that forms the bed of a navigable waterway.
- b) **Permitted Uses:** Shoreline structures include the following: deck, dock, gazebo, pumphouse, stairs and ramps, and existing single storey accessory buildings and structures not otherwise prohibited in the zone in which it is located.
- c) **Maximum Width of Shoreline Structures:** The maximum cumulative width of all shoreline structures shall not exceed 30% of the lot frontage to a maximum of 15 metres.
- d) **Docking Facilities:** A dock may be erected and used in the required front yard of a lot abutting a watercourse provided it complies with the minimum

required side yard of the zone, or the straight line projection of the side lot line into the water, and has a maximum projection into the water of 15 metres from the high water mark, with the exception of either:

- a dock projecting into a narrow watercourse, where the maximum projection shall be the lesser of 6 metres or 30% of the width of the narrow watercourse; or,
- a dock projecting into any other watercourse upon which the 15 metre projection of a dock ends in a water depth of less than 1 metre (measured from the normal ordinary or regulated high water level), the dock may be extended until a water depth of 1 metre is achieved at the end of the dock to a maximum projection of 25 metres

For the purposes of this Section, a narrow watercourse is a watercourse where the distance measured perpendicularly from shoreline to shoreline is less than 30 metres.

- e) **Pump House:** A pumphouse may be erected and used in the required front yard of a lot abutting a watercourse or shore road allowance provided it complies with the minimum required side yard. A pumphouse shall not exceed 2.5 square metres in ground floor area nor be higher than 2 metres.
- f) **Gazebo and Outdoor Sauna:** A gazebo or outdoor sauna may be erected and used in the required front yard of a lot abutting a watercourse provided it is setback a minimum of 6 metres (19.7 feet) from a side lot line, does not have a total floor area greater than 10 square metres (108 square feet), and is located a minimum of 10 metres (33 feet) from the high water mark.

4.1.13 Sleeping Cabin: A sleeping cabin may be erected on a lot in the Shoreline Residential (SR) Zone or the Rural (RU) Zone, provided:

- a) A sleeping cabin shall either be a detached one storey building, or be located within a one or two storey accessory building. Sleeping cabins in either a one or two storey accessory building will be subject to the following:
 - i. any other uses in the building shall be accessory, and the sleeping cabin shall be separated from any other uses by a common wall and shall have an independent entrance.
 - ii. maximum of one sleeping cabin is permitted on a lot;
 - iii. the maximum floor area of a sleeping cabin shall not exceed 35 square metres (376.8 square feet) exclusive of decks, porches or balconies
 - iv. the sleeping cabin must comply with the yard and setback requirements of the Zone in which it is located and is shall not be located to the front of the principal dwelling;
 - v. The total ground floor area of all decks, porches and balconies any part of which is attached to or within 2 metres (6.6 feet) of a sleeping cabin or accessory building containing a sleeping cabin shall not exceed 15 square metres (161.5 square feet).
- b. The height of a one storey sleeping cabin does not exceed 4.5 metres (14.8 feet);
- c. Where the sleeping cabin is located in a two storey accessory building the following additional provisions shall apply:

- i. sleeping cabin shall be entirely located on one storey. No other accessory uses shall be permitted on the same storey as the sleeping cabin.
- ii. The maximum floor area of the sleeping cabin may exclude any area where the height between the top of the floor and the finished ceiling is less than 1.5 metres (5 feet).

4.1.14 Outdoor Swimming Pool: An outdoor swimming pool is permitted as an accessory use within a side or rear yard provided it is not located closer than 3.0 metres to any lot line, and the coverage of the swimming pool does not exceed fifteen percent (15%) of the total lot area.

4.1.15 Septic tile field: A septic tile field is permitted as an accessory structure within any yard, provided it is not located closer than 30 metres from the shoreline.

4.2 ADDITIONAL DWELLING UNITS:

A maximum of two additional dwelling units shall be permitted on a property subject to the following criteria:

- a. Only lands which permit residential uses as the principal use, and as identified in Section 5.2 of the By-law shall permit additional dwelling units, save and except additional dwelling units shall not be permitted in the Shoreline Residential (SR) Zone or within 300 metres (984.3 feet) of a shoreline.
- b. Additional dwelling units shall not be permitted within 30-metres (98.5 feet) of the high-water mark of a waterbody or watercourse or within 300-metres (984.3 feet) of a lake.
- c. The primary dwelling is to be in the form of a single detached house, semi-detached house or townhouse, or as defined by the Planning Act. Other forms of residential uses (i.e., apartment buildings) are not permitted additional dwelling units.
- d. On a parcel of land which has full municipal water and sewage services, a maximum of two additional dwelling units shall be permitted, subject to servicing availability. Only one of the permitted additional dwelling units shall be permitted to locate in an accessory building. Provision of water and sewage services is subject to requirements of the Public Works department.
- e. On a parcel of land which does not have full municipal water and sewage services a maximum of one additional dwelling unit shall be permitted, which can be located in either the primary dwelling or in an accessory building. A minimum lot area of 1 hectare (2.5 acres) is required.
- f. On a parcel of land which does not have full municipal water and sewage services provision of services can be shared with or separate from the primary dwelling. A well and septic report must accompany a Building Permit for the additional dwelling unit.
- g. A garden suite shall be discounted from the total number of additional dwelling units permitted.
- h. Where applicable, shall be of a height equal to or lesser than the primary dwelling;
- i. Shall comprise a gross floor area not greater than 75% of the gross floor area of the primary dwelling.
- j. One off-street parking space must be provided for each additional dwelling unit, other uses on the property as subject to parking regulations as required by this by-law.

- k. An additional dwelling unit shall only be permitted on a property with frontage on a year round publicly maintained road and to be accessed from the same driveway or property entrance as the primary dwelling.
- i. Where an additional dwelling unit is located within an accessory building, it shall comply with the following:
 - i. Be located no further than 30 metres (98.5 feet) from the primary dwelling;
 - ii. shall be of a height equal to or lesser than the primary dwelling;
 - iii. Be located within a rear or interior side yard;
 - iv. Shall comply with the residential zone regulations of the applicable zone. Notwithstanding, the accessory structure shall be included in accessory lot coverage.
- l. Notwithstanding provisions of this By-law to the contrary, no minimum floor area shall be required for an additional dwelling unit, except as may be required through building or fire code.
- m. An additional dwelling unit shall not be used as a short-term rental or bed and breakfast establishment.

4.3 ASPHALT PLANT, PORTABLE:

Where specifically permitted in this By-law, a portable asphalt plant shall be used by or on behalf of a public authority.

4.4 BOATHOUSES AND BOATPORTS:

No person shall use any land adjacent to or on a waterbody for the purpose of a boathouse or boatport.

4.5 CONSTRUCTION USES (TEMPORARY):

A tool shed, construction trailer, scaffold, or any other structure incidental to construction, is permitted where construction work is in progress, and until the work is completed or abandoned. For the purposes of this section "abandoned" means the failure to proceed expeditiously with the construction work or the revocation of the building permit. The temporary use of a travel trailer or recreational vehicle may be permitted for temporary habitation on a lot where a dwelling is being constructed and further where the lot does not provide for an existing dwelling on the property. For the purposes of this Section, "temporary" means only during the period of construction of a dwelling, having an active building permit that has not been finished nor abandoned.

4.6 DWELLING UNIT:

Unless otherwise specified in this By-law, no more than one dwelling unit is permitted on a lot.

4.7 ESTABLISHED BUILDING LINE:

Where a permitted dwelling is to be erected on a lot and where there is an established building line extending along a public road on both sides of the lot, such dwelling may be erected closer to the street line than required by this By-law such that the yard is equal to the average setback of the adjacent dwellings on either side of the lot and located on the same side of the street.

4.8 EXISTING BUILDINGS, STRUCTURES AND USES

- 4.8.1 **Continuation of Existing Uses:** The provisions of this By-law shall not apply to prevent the use of any land, building or structure for any purpose prohibited by this By-law if such land, building, or structure was lawfully used for such purpose on the date of passing of this By-law so long as it continues to be used for that purpose.
- 4.8.2 **Prohibited Exterior Extension:** The exterior of any building or structure, which at the date of passing of this By-law was lawfully used for a purpose prohibited by this By-law, shall not be enlarged, extended, or otherwise structurally altered save and except as permitted in 4.8.3, unless such building or structure is to be used for a purpose permitted within such Zone, and complies with all requirements of this By-law for such Zone, save and except that reconstruction on the same footprint and to the same height shall be permitted.
- 4.8.3 **Restoration to a Safe Condition:** Nothing in this By-law, including the preceding subsection 4.8.2, shall prevent the strengthening or restoration to a safe condition of any building or structure or part thereof lawfully used on the date of passing of this By-law, for any purpose prohibited by this By-law, provided that the strengthening or restoration does not increase the height, size, or volume, or change the use of such building or structure.
- 4.8.4 **Permitted Non-Complying Building or Structure:** A non-complying building or structure which was legally erected/alterd in accordance with the by-laws in force at the time of construction and/or alteration may be reconstructed, enlarged, repaired and/or renovated provided that the reconstruction, enlargement, repair and/or renovation does not:
- i) increase the extent of existing non-compliance, by further reducing the minimum requirement or further exceeding a maximum requirement, nor create a new non-compliance issue; or,
 - ii) increase the degree of an existing non-compliance by increasing the lateral or vertical extent of the building or structure subject to the non-compliance or, increase the height of the building or structure by more than 1.2 metres (4 feet) where the increase would be subject to the existing non-compliance; or,
 - iii) increase the ground floor area of the building or structure, or area of a septic tile field, by greater than 25%, where the increase would be subject to the existing non-compliance; or,
 - iv) notwithstanding ii) above, an existing dwelling located within the high-water mark setback may be expanded laterally, provided such expansion does not result in the lateral width of the dwelling, including all attachments thereto, in excess of 30% of the shoreline frontage or 15 metres (49.3 feet), whichever is less.
 - v) Notwithstanding i) through v) above, no increase in the size or height shall be permitted of a building or structure which is located wholly or in part within 15 metres (49.3 feet) of the high-water mark.
 - vi) Where the front lot line of a property line is the lot line abutting the shore road allowance, the front yard may be measured from the high-water mark, provided the building or structure is not located within the shore road allowance

4.8.5 Floor Area Less Than Required: Nothing in this By-law shall prevent an extension or an addition being made to a dwelling, that was lawfully used for such purpose on the date of passing of this By-law but which has dwelling unit area less than required by this By-law, provided such extension or addition does not contravene any other provision of this By-law.

4.8.6 Building Permit Issued: The provisions of this By-law shall not apply to prevent the erection or use of any building or structure, for a purpose prohibited by this By-law, for which a permit has been issued pursuant to The Building Code Act prior to the date of passing of this By-law, so long as the building or structure, when erected, is used and continues to be used for the purpose for which it was erected, provided further that the permit has not been revoked pursuant to The Building Code Act.

4.9 EXISTING LOTS

4.9.1 Existing Undersized Lots: Notwithstanding the frontage and area provisions of this By-law, where a lot having a lesser lot area and/or frontage than required in this By-law is:

- i) held under distinct and separate ownership from an abutting lot or lots as shown by a conveyance of title properly registered prior to the date of passing of this By-law, or,
- ii) created as a result of an expropriation or highway widening, or
- iii) a lot on an existing plan of subdivision that has not been deemed, and where a vacant lot in a Shoreline Residential Zone has a lot area not less than 1,400 square metres and/or a lot frontage not less than 30 metres, such lot may be used and a building or structure may be erected, altered or used on such smaller lot, provided that all other applicable provisions of this By-law are complied with.

4.9.2 Enlargement of Existing Lots: Where lands are added to an existing undersized lot, the resulting lot shall be deemed to comply with the minimum lot frontage and area requirements of this By-law, and may be used for a purpose permitted in the Zone in which such lot is located, provided that all other applicable provisions of this By-law are complied with. If applicable, any building located on such enlarged lot shall continue to be subject to the provisions of Section 4.8.1.

4.10 FRONTAGE REQUIREMENTS

4.10.1 Public Street: No person shall erect any building or structure, unless the lot upon which such building or structure is to be erected fronts upon and is directly accessible from a public road.

4.10.2 Unassumed Road: The provisions of this By-law shall not apply to prevent the erection of a permitted building or structure on a lot in a Registered Plan of Subdivision where a properly executed subdivision agreement has been entered into with the Township and registered against the lands whereunder the street or

streets will not be assumed by the Township until such time as specified in the agreement.

4.10.3 Private Right-of-Way or Navigable Waterway:

- a) Where a lot that existed prior to the passage of this By-law is accessible by means of a Private Road, Seasonal Township Road or Forest Access Road; a private right-of-way; or, an unopened road allowance on which a road has been constructed in accordance with policies established by the Township, the provisions of this By-law shall not apply to prevent the use of land or the construction of a building or structure, provided the use, building or structure is compliant with all other provisions of this By-law.
- b) Where a building or structure was lawfully used for a purpose permitted within the Zone in which it is located, as of the date of passing of this By-law, and where such building or structure is only accessible by means of a private right-of-way providing ingress and egress to a public street or road allowance, the provisions of this By-law shall not apply to prohibit the extension, enlargement, renovation or reconstruction of such structure provided such extension enlargement, renovation or reconstruction does not contravene any other provision of this By-law.
- c) Notwithstanding the provisions of this Section and Section 4.24 (Parking Area Requirements) to the contrary, for a lot located on an island, the erection, alteration of or use of a building or structure for a use permitted in such zone, is permitted provided all other provisions of this By-law are met.

4.11 GARDEN SUITES:

A garden suite, as defined in this By-law, may be permitted by way of a Temporary Use By-law and furthermore may be subject to an agreement with the Town.

4.12 HAZARD LAND – AREA AND FRONTAGE:

Land zoned HZ – Hazard Land, may be used in the calculation of the minimum lot area or frontage requirements for another zone on that lot where property under one ownership is zoned only partially as HZ – Hazard Land, however with respect to lot coverage and required setbacks Section 4.22 (Multiple Zones on One Lot) shall apply.

4.13 HEIGHT OF BUILDINGS:

No principal building or structure shall exceed three (3) storeys in height, exclusive of any basements.

4.14 HOME OCCUPATION:

The following regulations apply to regulate a home occupation where such a use is permitted:

- The home occupation shall clearly be secondary to the main residential use of the property and shall not change the residential character of the property;
- Such home occupation shall not be a nuisance, with regard to noise, vibration, etc., and not interfere with television or radio reception of others in neighbouring buildings or structures;
- Such home occupation shall not include a medical clinic, a private hospital, a nursing home, a boarding house, an eating establishment or a veterinary clinic, but may

include a business or professional office that complies with the provisions of this subsection;

- There shall be no display to indicate that any part of the property is being used for a use other than residential except for an unlit sign of not more than 0.5 metres square (5.4 square feet), except where a lot fronts on a County Road or Provincial Highway, in which case the requirements of the County or the Province shall be complied with;
- The home occupation use shall be conducted entirely within the dwelling or an accessory building;
- Where the home occupation is located within the dwelling, not more than 25% of the gross floor area of the dwelling shall be used for the purposes of home occupation use. Where the home occupation is located within an accessory building, the floor area shall be limited to a maximum of 45 square metres (484.4 square feet);
- Such use is conducted by a person or persons residing in the dwelling and a maximum of one employee who does not live in the dwelling;
- There shall be no more than one (1) commercial vehicle parked at any one time on the property;
- There shall be no outside storage of equipment, goods or materials associated with the home occupation use; and,
- There shall be no equipment, goods, wares or merchandise offered for sale or rent from the dwelling which are not manufactured or processed on the lot.

4.15 **HOME INDUSTRY:**

The following regulations apply to regulate a home industry where such a use is permitted:

- The home industry shall clearly be secondary to the main residential use of the property and shall not change the residential character of the property;
- There shall be no emission of noise, odour or dust that is not normally attributable to the use of the land for other uses permitted in the Zone;
- Such home industry shall not be a nuisance to, nor interfere with, television or radio reception of others in neighbouring buildings or structures;
- There shall be no display to indicate that any part of the property is being used for other than residential or agricultural uses except for an unlit sign of not more than 0.8 metres square, except where a lot fronts on a County Road or Provincial Highway, in which case the requirements of the County or the Province shall be complied with;
- No home industry shall be located within 300 metres of any waterbody;
- The home industry shall meet the same yard provisions as required for the principal residential use for the Zone in which it is located, with the exception of the interior side yard, which shall be a minimum of 10 metres;
- The use shall not occupy more than 25% of the gross floor area of a dwelling, or where located in an accessory building, shall not occupy more than 90 square metres;
- A maximum of two (2) employees who do not live in the dwelling may be employed on site in the home industry and additional employees may be employed off-site;

- There shall be no more than three (3) commercial vehicles parked at any one time on the property;
- Any permitted open storage shall be screened from view;
- A planting strip shall be provided on the lot in accordance with the provisions of this By-law; and,
- There shall be no goods, wares or merchandise offered for sale or rent from the dwelling which are not manufactured or processed on the lot.

4.16 **HUNT CAMP:**

Within the Rural (RU) Zone, a maximum of one (1) hunt camp may be constructed per lot subject to the following regulations:

- a) Maximum gross floor area: 60 square metres;
- b) Minimum setback from a front, rear, or side lot line: 30 metres
- c) Minimum lot size: 20.25 hectares
- d) A hunt camp may not be occupied for more than 90 days in any 12 month period

4.17 **INDUSTRIAL USES:**

Notwithstanding any provisions of this By-law to the contrary, any industrial use requiring a new Permit to Take Water from a Provincial agency shall be permitted only through site specific zoning amendment. This provision does not apply to a portable processing plant, where otherwise permitted in this By-law.

4.18 **LIGHTING:**

Despite any structure height provision of this By-law, no light standard shall be constructed on any lot with a structure height of more than 4.5 metres, and no exterior light shall be affixed to any structure at a height of more than 4.5 metres above average finished grade. All exterior lighting fixtures shall direct light downwards and not towards abutting lots and streets.

4.19 **LOADING SPACE REGULATIONS:**

4.19.1 **Loading Space Requirements:** For all Commercial, Industrial, and Institutional zones, loading spaces are required, in accordance with the Loading Space Requirement Table.

LOADING SPACE REQUIREMENT TABLE	
Gross Floor Area of Building	Loading Spaces Required
Greater than 250 m ² and less than 2,500 m ²	1
Greater than or equal to 2,500 m ² and less than 7,500 m ²	2 spaces
Greater than 7,500 m ²	2 spaces + 1 additional loading space for each additional 9,300 m ² or part thereof in excess of 7,500 m ²

4.19.2 **Loading Space Dimensions:** For the purposes of this By-law, each loading space shall be a minimum 9 metres in length, 4 metres in width and have a vertical clearance of 5 metres.

4.19.3 **Access:** Access to loading spaces shall be by means of a driveway at least 3.5 metres in width contained on the lot on which the spaces are located and leading to an improved public street.

4.19.4 **Loading Space Surface:** Driveways, loading and unloading spaces, and, related aisles and turning areas shall be maintained with a stable surface which is treated so as to prevent the raising of dust. Such loading and unloading facilities shall be constructed of crushed stone, gravel, asphalt, concrete or similar material and shall include provisions for drainage facilities.

4.19.5 **Location:** Loading spaces shall be located in the interior side or rear yard unless such space or spaces are removed from the street line a minimum distance of 15 metres.

4.19.6 **Additions to or Change in Use of Existing Buildings:** The loading space requirements shall not apply to any building in existence at the date of passing of this By-law so long as the gross floor area is not increased, or the use changed; if an addition is made to the building which increases the gross floor area, or if the use is changed, then additional loading spaces shall be provided in accordance with the Loading Space Requirements Table for such addition or use.

4.20 **MINIMUM DISTANCE SEPARATION – AGRICULTURAL USES:**

4.20.1 **Non-Agricultural Uses:** Notwithstanding any other yard or setback provisions in this By-law to the contrary no residential, institutional, commercial, industrial or recreational use located on a separate lot and otherwise permitted by this By-law shall be erected or altered unless it complies with the Minimum Distance Separation (MDS I) Formula as developed by the Ontario Ministry of Agriculture and Rural Affairs.

4.20.2 **Agricultural Uses:** Notwithstanding any other yard or setback provision in this By-law to the contrary, no livestock facilities shall be erected or expanded unless it complies with the Minimum Distance Separation (MDS II) Formula as developed by the Ontario Ministry of Agriculture and Rural Affairs.

4.21 **MULTIPLE USES ON ONE LOT:**

Where any building, structure or lot is used for more than one purpose, the applicable provisions of this By-law which serve to regulate each such use shall be complied with, provided that no detached dwelling as may be permitted shall be erected closer than 10 metres to any other structure on the lot.

4.22 **MULTIPLE ZONES ON ONE LOT:**

Where a lot is divided into more than one Zone, each portion of the lot shall be used in accordance with the provisions and development standards of this By-law for the applicable Zone, provided however that the maximum number of dwelling units permitted on the total lot does not exceed one, except where a larger number of dwellings is specifically permitted.

4.23 NOXIOUS USES:

No person shall, within the zoned area, use any land or construct or use any structure for any noxious use.

4.24 PARKING AREA REQUIREMENTS

4.24.1 Parking Space Requirements: The owner of every building, structure, or lot used for any purpose shall provide and maintain for the sole use of the owner, occupant or other persons entering upon or making use of the premises, off-street parking spaces and areas in accordance with the Parking Space Requirement Table.

4.24.2 PARKING SPACE REQUIREMENT TABLE

• All other non-residential uses	1 space per 27 m ² of gross floor area
Notes: (1) In the case of a single detached dwelling, the required parking spaces may be provided by means of tandem parking	

4.24.3 Calculation of Parking: Where the minimum number of parking spaces is calculated on the basis of a rate or ration, the required number of spaces shall be rounded to the next higher whole number

4.24.4 More than One Use on a Lot: Where there are two (2) or more uses in any building or on any lot, including accessory uses, the required parking shall be the sum total of the parking requirements for each of the component uses

4.24.5 Parking Based On Occupancy: Where parking space requirement establishes the required parking in relationship to the number of persons that may be legally accommodated at any one time, such number shall be calculated in accordance with the Ontario Building Code, as amended.

4.24.6 Parking Area Surface: Parking space areas and driveways connecting the parking space or area with a street shall be maintained with a stable surface that is treated so as to prevent the raising of dust. Such parking spaces or areas shall be constructed of crushed stone, gravel, asphalt, concrete or similar material and shall include provisions for drainage facilities.

4.24.7 Size of Parking Spaces and Aisles: Surface parking spaces shall have a minimum width of 2.75 metres and a minimum length of 6.0 metres. The width of the adjacent aisle shall be in accordance with the Parking Aisle Width Table:

Parking Aisle Width Table	
Angle of Parking Space at Aisle	Minimum Perpendicular Width of Aisle
60 to 90 degrees	5.8 metres
59 to 45 degrees	5.2 metres
44 degrees or less	3.6 metres

Where parking spaces are provided in an enclosed or underground parking garage, such parking spaces shall have a width of not less than 2.6 metres and a length of not less than 5.8 metres

The minimum width of an aisle providing access to a parking space within a parking area shall be 6.0 metres, except in the case of angled off-street parking accessed by a one-way aisle, which shall be a minimum width of 4.5 metres.

4.24.8 Designated Accessible Parking: Designated accessible parking spaces shall be provided in accordance with the Accessible Parking Space Requirements Table and subject to the following provisions. The provision of accessible parking spaces shall be included as part of the total calculation of parking spaces required for any lot, building or use.

Designated Accessible Parking Requirement Table	
Total number of parking spaces required	Number of designated accessible parking spaces
4-10	1

11-20	2
21-50	3
51-75	4
76-100	5
100-200	6
More than 200	1 additional space for each additional 100 spaces

A designated accessible parking space for motor vehicles shall be a minimum of 3.5 metres wide that includes an adjacent 1.75 metre wide aisle that is hatch marked on the parking lot.

The minimum length of a designated accessible parking space for motor vehicles shall be 6 metres (19.7 ft). Two designated accessible parking spaces may share a single 1.5 metre (4.9 ft.) wide hatched aisle.

Designated accessible parking spaces shall have a firm, level surface. If the required number of parking spaces is reduced to accommodate designated accessible parking, this does not create a non-compliance with respect to Section 4.24.1.

Designated accessible parking spaces shall be located as near as possible to the main entrance, and in no circumstance be located greater than 30 metres (98.4 ft.) of an entrance.

4.24.9 Ingress and Egress Provisions:

- a) Ingress and egress to and from the required parking spaces and areas shall be provided by means of unobstructed driveways or passageways at least 3 metres but not more than 9 metres in perpendicular width.
- b) The maximum width of any joint ingress and egress driveway ramp measured along the street line shall be 9 metres.
- c) The minimum distance between any two driveways on a lot or between a driveway and an intersection of street lines measured along the street line intersected by such driveway shall be 9 metres.
- d) The minimum angle of intersection between a driveway and a street line shall be 60 degrees. Every lot shall be limited to the following number of driveways:
 - i. Up to the first 15 metres of lot frontage, not more than one driveway; and,
 - ii. Greater than 15 metres of lot frontage, not more than two driveways with a combined width not exceeding thirty percent (30%) of the lot frontage.

4.24.10 Ingress and Egress Regulations - Retail Gasoline Establishments: The following provisions shall apply to ingress and egress driveways established in conjunction with a motor vehicle dealership or motor vehicle service station, where gasoline is offered or kept for sale at retail: the maximum width of a driveway measured along the street line shall be 9 metres; the minimum distance between driveways, measured along the street line intersected by such driveway shall be 9 metres; the minimum distance between a driveway and an

intersection of street lines, measured along the street line intersected by such driveway shall be 9 metres; the minimum distance between an interior side lot line and any driveway shall be 3 metres; and, the interior angle formed between the street line and the centerline of any driveway shall not be less than 45 degrees.

4.24.11 Parking Area Location on a Lot: Parking areas, inclusive of driveways, shall be permitted in the required yards in accordance with the following provisions:

- a) In all Zones, except Residential Zones, no driveway shall be permitted within 9.0 metres of the boundary of a Residential Zone;
- b) In all Zones, except Residential Zones, no parking space shall be permitted within 3.0 metres of the boundary of a Residential Zone;
- c) Within all Residential Zones, parking spaces and areas shall be permitted within a front, interior side or rear yard provided that no part of any parking area, other than a driveway, is located closer than 2 metres to any street line or within a sight triangle;
- d) Within the Rural, Open Space, Community Facility and all Commercial Zones, parking spaces and areas shall be permitted within a front, interior side or rear yard provided that no part of any parking area, other than a driveway, is located closer than one metre to any street line or within a sight triangle;
- e) Within all Industrial Zones, parking spaces and areas shall be permitted within a front, interior side or rear yard provided that no part of any parking area, other than a driveway, is located closer than 2 metres to any street line or within a sight triangle;
- f) Notwithstanding the provisions of this Section to the contrary, within the Shoreline Residential (SR) Zone, no parking space shall be permitted in the front yard.

4.24.12 Additions to or Change in Use of Building(s): The parking space requirements referred to herein shall not apply to any building or structure in existence at the date of passing of this By-law so long as the gross floor area, as it existed at such date, is not increased. If an addition is made to the building or structure that increases the gross floor area, then parking spaces for the addition shall be provided as required in the Parking Space Requirements Table. Where a change in use of the building or structure occurs, parking spaces shall be provided in accordance with the Parking Space Requirement Table.

4.24.13 Use of Parking Space(s) and Area(s): Parking spaces and areas shall be used for the parking of operative, currently licensed vehicles only, and for vehicles used in operations incidental to the permitted uses in respect of which such parking spaces and areas are required or permitted. Notwithstanding the foregoing, within any Residential Zone, the owner or occupant may use a parking space for the purposes of the parking or storage of one currently licensed commercial motor vehicle.

4.25 PITS AND/OR QUARRIES:

The making or establishing of pits and/or quarries is prohibited except in accordance with the express provisions of this By-law. No person shall use land or erect any building

or structure for the purpose of processing, washing, sorting, screening or crushing rock, sand or gravel in any locations, except as expressly provided for in this By-law.

4.26 PLANTING STRIP REGULATIONS

4.26.1 **Location:** Where the interior side or rear lot line, or portion thereof, in a Community Facility, Commercial or Industrial Zone abuts a Residential Zone, a planting strip shall be provided on the lot within the Community Facility, Commercial or Industrial Zone with a minimum width of 6 metres.

4.26.2 **Contents:** Any required planting strip shall consist of a row of trees or a continuous hedgerow of evergreens or shrubs, not less than 2 metres high at planting, immediately adjacent to the lot line or portion thereof along which such planting strip is required hereunder. The remainder of the strip shall be used for no other purpose than the planting of shrubs, flowerbeds, grass or a combination thereof.

4.26.3 **Interruption for Driveways or Pedestrian Walks:** In all cases where ingress and egress driveways or walks extend through a planting strip, it shall be permissible to interrupt the strip within 3 metres of the edge of such driveway or within 1.5 metres of the edge of such walk.

4.26.4 **Maintenance:** Where a planting strip is required, it shall be planted, nurtured and maintained by the owner(s) of the lot on which the strip is located.

4.26.5 **Landscaped Open Space Supplement:** A planting strip referred to in this subsection may form a part of any landscaped open space required by this By-law.

4.27 PROHIBITED USES

4.27.1 The following uses are prohibited in any Zone:

- The use of any trailer for human habitation, except where such trailer is located in a permitted camping establishment or in a trailer park or as otherwise permitted in Section 4.5 of this By-law.
- The use of any motor vehicle, truck, bus or coach body for human habitation.
- The use of any accessory building or structure for human habitation, with the exception of a sleeping cabin.
- The storage of disused rail cars, streetcars, truck bodies or trailers without wheels.
- Permanent asphalt plants.
- The parking or storage of trailers or commercial motor vehicles on a vacant lot, except where specifically permitted elsewhere in this By-law.
- The outdoor storage of partially dismantled motor vehicles or trailers or motor vehicle or trailer parts, except where specifically permitted elsewhere in this By-law.
- Obnoxious uses.

- The manufacturing, refining, rendering or distillation of acid, ammonia, chlorine, coal, creosote, explosives, fireworks, glue, petroleum or tar.
- The bulk storage of industrial chemicals, hazardous waste or liquid industrial waste as defined under the Environmental Protection Act, as amended.

4.28 PUBLIC USES

4.28.1 Public Services: The provisions of this By-law shall not apply to prohibit the use of any land, or the erection or use of any building or structure, for the purposes of public service provided by a Public Authority. For the purpose of this Section, a Public Authority shall include any hydro, natural gas, telephone, telegraph, or cable television company, which company possesses the necessary powers, rights, licenses, and franchises.

4.28.2 Location Restrictions: Notwithstanding Section 4.28.1, where a public use is specifically listed as a permitted use in a zone on Tables 1 and 3, such use shall only be carried out in that specific zone or zones.

4.28.3 Provisions: Where a use conducted by a Public Authority is not restricted to a specific Zone, no land, building or structure is to be used for public use in any residential zone unless the following provisions are complied with:

- a) Minimum yard requirement (all yards): 10 metres
- b) Maximum Lot coverage (all buildings): 40%
- c) Minimum Landscaped Open Space: 30 percent
- d) Maximum Height of Buildings: 10 metres
- e) No goods, materials or equipment shall be stored outside the building or structure located on the lot, except as may otherwise be permitted under this By-law
- f) No building or structure erected in accordance with the provisions of this Section shall be used for the purposes of an office or maintenance or works depot.

4.28.4 Streets and Installations: Nothing in this By-law shall prevent land to be used as a street or prevent the installation of a watermain, sanitary sewer, storm sewer, gas main, pipeline, street lighting, overhead or underground hydro, communication line or high voltage and extra high voltage electrical facilities owned, operated and maintained by a hydro company, provided the location of such main or line has been approved by the Township. Notwithstanding the generality of the foregoing, this approval shall not be required for any public use that has received prior approval pursuant to the provisions of The Environmental Assessment Act, as amended.

4.29 REDUCTION OF REQUIREMENTS:

No person shall change the purpose for which any lot or building is used or erect any building, structure, or addition to any existing building or structure, or sever any lands from any existing lot, if the effect of such action is to cause the original, adjoining, remaining or new building or lot to be in contravention of this By-law.

4.30 SIGHT TRIANGLES:

On a corner lot, no building or structure, fence, wall, vegetative planting or landscaping that has a height of greater than 0.6 metres shall be permitted; and no motor vehicle shall be parked in a sight triangle.

4.31 SIGNS:

Nothing in this By-law shall prevent the construction, alteration, or use of any sign, provided the sign complies with Sections 4.14, 4.15, and 4.30 of this Bylaw and with the other by-laws of the Township of Minden Hills or County of Haliburton.

4.32 SPECIAL REGULATIONS – Resort Establishments

The maximum habitation in a resort per family shall not exceed 70 days per year. The maximum number of timeshare, interval ownership or fractional ownership units shall not exceed one (1) for every 45 metres of frontage on a watercourse except where a site specific zoning amendment specifies a different number.

- Minimum Distance Between Cabins
or Cottages on Same Lot 4 metres

4.33 SPECIAL REGULATIONS – Camping Establishment or Recreational Institutions

- a) Minimum Lot Area Requirement 4 hectares
- b) Minimum Lot Frontage Requirement 60 metres
- c) Minimum Campsite Area Requirements 200 sq. metres
- d) Minimum Campsite Frontage Requirement
(on an internal roadway) 12 metres
- e) Minimum Distance Between Campsites 2 metres
- f) Maximum Density of Campsites

Maximum density of campsites shall not exceed 15 sites per 4,050 sq. metres, exclusive of lands used for ingress and egress.

4.34 SPECIAL SETBACK REQUIREMENTS FROM A WATERCOURSE:

Notwithstanding the yard provisions of this By-law to the contrary, where a watercourse runs through a lot, no building or structure shall be erected within 15 metres of the existing high water mark of such watercourse; save and except where the watercourse is a lake in which case Section 5.2 shall apply.

4.35 SPECIAL SETBACK REQUIREMENT FROM A PRIVATE ROAD OR PRIVATE RIGHT-OF-WAY:

No building may be erected or used within 3 m (10 ft.) of a private right-of-way or private road.

4.36 SPECIAL YARD REQUIREMENTS FOR THROUGH LOTS:

Where a lot is a through lot, the front yard requirements shall apply on each street or waterbody, as the case may be excepting that, within the Shoreline Residential (SR) zone, the required front yard setback from such street on a through lot shall be 15 metres.

4.37 TRAILER OR MOBILE HOME PARKS:

The establishment of a trailer park or mobile home park is prohibited in any Zone, save and except where such parks are specifically permitted by this By-law. The use of any trailer or recreational vehicle for human habitation is prohibited except where such trailer or recreational vehicle is located in a camping establishment or in a trailer park or as otherwise permitted in Section 4.5 of this By-law.

4.38 TRUCK, BUS, COACH BODIES AND DERELICT VEHICLES:

No truck, bus, coach, trailer or streetcar body, or structure of any kind, other than a dwelling unit erected and used in accordance with this By-law, The Building Code and Regulations passed there under and all other By-laws of the Township, shall be used for human habitation or storage of goods and materials whether or not the same is mounted on wheels. The provisions of this By-law shall not apply to prohibit the outside storage of a maximum of two derelict motor vehicles within the Rural (RU) Zone nor the outside storage of contractors equipment, whether currently licensed or inoperative, provided the applicable provisions regarding outside storage are complied with and further that such use is accessory to the principal permitted use on the lot.

4.39 ZONING OF ISLANDS AND LANDS COVERED BY WATER

4.39.1 All lands covered by water are zoned Open Space (OS). A dock is the only permitted use and only where it is accessory to a permitted use on the adjoining lot above the high water mark and provided it complies with the applicable zone requirements for the adjoining lot.

4.39.2 Where an island is not labelled with a Zone Symbol on the Schedules to this By-law, such island is deemed to be zoned Open Space (OS).

Section 5: ZONE PROVISIONS

5.1 Classification

The provisions of this By-law apply to all lands within the limits of the Township, which lands, for the purpose of this By-law are divided into various Zones as named and described below. 5.3.2 (Section removed)

5.3.3 Flood Risk (FR) Zone Overlay (Schedule 25)

5.3.3.1 Permitted Uses: On Schedule 25, where a FR (Flood Risk) symbol is shown in association with another zone, no person shall within a Flood Risk (FR) Zone use any land or erect, alter or use any building or structure except for a purpose permitted in accordance with the following:

a) Flood Proofing Requirements

Where a building or structure is permitted, no person shall erect any new building or structure or enlarge, extend, reconstruct or renovate a permitted building or structure except in accordance with the following provisions, namely:

- i. that the building or structure, inclusive of the enlargement, extension, reconstruction or renovation of an existing permitted building or structure, be designed to withstand the hydrostatic and hydraulic forces resulting from flooding;
- ii. that the composition and strength of all structural materials used in the erection of a new building or structure of the extension, enlargement, reconstruction or renovation of an existing building or structure not be susceptible to deterioration as a result of flooding;
- iii. that the minimum elevation of all doors, windows or other exterior openings not be less than the minimum elevation for flood proofing as specified in brackets following the Flood Risk Zone symbol, which elevations are in metres based upon the Geodetic Survey of Canada and the Flood Risk Mapping for the Gull River; and,
- iv. that all measures for flood proofing shall be completed in accordance with the standards and regulations established in the Building By-law of the Township, the Ontario Building Code Act, and, the requirements of the Ministry of Natural Resources.

b) Exceptions

The provisions set forth in Section (a), above, shall not apply to any accessory building or structure except where such accessory building or structure is designed or intended for human habitation.

c) Other Zone Provisions

In all other respects the provisions of the applicable zone classification shall apply.

5.3.4 Floodway (FW) Zone – Schedules 21, 22 and 25

5.3.4.1 Permitted Uses

Uses permitted in the Floodway Zone are as follows:

- a) Existing uses buildings and structures
- b) Open Space, conservation, agriculture, recreation and forestry uses.

5.3.4.2 Regulations:

- a) No building or structures shall be erected nor any fill be removed or placed in any Floodway Zone except as follows:
 - i. Buildings or structures to be used for purposes of flood or erosion control or the generation of electricity by a public authority, may be constructed.
 - ii. The extension, enlargement or repair of existing buildings or structures may be permitted with the requirement of flood proofing measures as noted in Section 5.3.5, and provided that such extension or enlargement is not greater in size than 50% of the existing structure as determined by the ground floor areas.

5.3.5 Flood Proofing (FP) Zone (Minden Urban Area)

5.3.5.1 Regulations

- a) The Flood Proofing Zone (FP) is an overlay zone, which places restrictions on the location of building openings. The FP Zone regulations apply in addition to the requirements of the use zones. No person shall erect any building in any FP Zone with building openings below the level noted on the Flood Damage Reduction Program (F.D.R.P.) schedules on file at the Township offices. This level is expressed in metres above sea level based on Canadian Geodetic Datum.

- b) Exceptions

The provisions set forth in Section (a), above, shall not apply to any accessory building or structure except where such accessory building or structure is designed or intended for human habitation.

- c) Other Zone Provisions
