REQUEST FOR PROPOSALS FOR THE OPERATION AND MAINTENANCE OF THE WATER AND WASTEWATER SYSTEMS IN THE TOWNSHIP OF NORTH HURON

ADDENDUM NO. 2

RFP takers shall note the following:

1. The Township of North Huron wishes to maximize Canadian content regarding the operation and maintenance of its water and wastewater systems. In this regard the RFP has been amended as follows:

   Section 4.10 has been added with wording as follows:

   4.10 Canadian Content Provisions

   The proposal shall provide the following additional information:

   - The name and corporate address of the entity that will enter into a formal Services Agreement with the Township.
   - The number of full-time equivalent employees that the entity has permanently based in Canada.
   - The estimated annual labour hours (average over the five year term) that the entity expects will be required to complete the Scope of Work set out in the RFP.
   - The percentage of the annual labour hours that will be completed by staff permanently based in Canada.

2. Section 5.4 Evaluation Process has been expanded to include:

   5.4 Evaluation Process

   “Compliance with the requirements of the Buy Ontario Act (Public Sector Procurement) as outlined in the “Buy Ontario Procurement Directive April 2026. “
