Security Enhancements at Perth County Courthouse Starting September 8, 2026

STRATFORD, ON – Starting September 8, 2026, new security enhancements will be in effect at the Perth County Courthouse (1 Huron Street, Stratford).

Stratford Police Service will maintain a full-time presence to provide security monitoring and security screening for visitors to the Courthouse-side of the facility. To access the building, members of the public will be required to pass through a metal detector and can expect a physical search of belongings.

Visitors are encouraged to leave extra time to complete the security screening process.
