Curbside Recycling Guide 2026/2027

Hamlet of Janvier

circularmaterials.ca/janvier

A new curbside recycling program is coming!

Say hello to your new recycling cart

How should I set out my cart for collection?

- Place your cart at the curb with wheels toward your home.
- Carts should not block vehicle paths.
- Cart lid must be fully closed to minimize litter, reduce odour and protect materials from weather conditions.
- During winter conditions, place your cart on a flat surface clear of any snow and ice.
- Materials that are not placed inside your cart will **not** be collected. Ensure all items are placed loosely inside your cart.

Recycling safety

Keep items like batteries and electronics out of your curbside recycling. Batteries can cause fires and harm workers.

There are specialized programs in Alberta to collect these items and ensure they are recycled safely.

If it lights up, beeps, buzzes or charges, it probably has a battery and doesn't belong in your household recycling.

Learn more:
circularmaterials.ca/batteries

Collection schedule

As of October 1, 2026

Your recycling will be collected on

October 12, 2026

and then every second
Monday

Please have your cart set out **by 7 a.m.**

Holidays may affect your collection schedule.

Visit circularmaterials.ca/AB for collection updates and service disruptions.

How to recycle

- ✓ Have your materials out to the curb for collection by **7 a.m.**
- ✓ Flatten cardboard to no larger than **60 x 90 cm.**
- ✓ Ensure containers are **dry, empty, and clean.**
- ✓ Remove lids from **glass containers**, leave lids on all other containers.
- ✓ Place recyclables **loose** in your cart.
- ✓ **Do not** put garbage and organics in with your recyclables.

Recycling gives materials a second life, conserves natural resources, and protects our environment for future generations.

Place carts at least 3 feet in front of or beside any obstacles such as fences, vehicles, lamp posts or power lines.

Keep your recycling loose.

Black bags don't belong in your recycling.

Your recycling program will be managed by Circular Materials, a not-for-profit organization committed to building an efficient and effective packaging and paper recycling system across Alberta.

Rural Sharing Network

Connecting services, strengthening rural communities

The Rural Sharing Network brings together community organizations and service providers to build relationships, share information and collaborate on services for rural residents across the RMWB.

By participating, you can:

- Learn about programs and services available in each rural community
- Build connections with other agencies and community organizations
- Help identify community needs and service gaps
- Work together to improve supports for rural residents

Who can join?

- Non-profit and social profit organizations
- Government and municipal services
- Other service providers working in RMWB

Want to get involved?

If you represent a service provider or community organization in the RMWB that would like to join the Rural Sharing Network, please contact:

Updates to the Rural Water and Sewer Servicing (RWSS) connection program

Great news – at the May 19, 2026 Council Meeting in Anzac, Council approved an extension to the Rural Water and Sewer Servicing (RWSS) connection program period.

The eligibility period has now been extended **from five to seven years**.

What does that mean for residents in Janvier?

If you haven't connected to piped water and sewer services, you now have until **June 30, 2028** to take advantage of the significant savings offered through the RWSS program. As of Jan. 31, 2026, 29 homes in Janvier have already connected to municipal systems.

What happens if I connect after the program period has ended?

After the deadline of June 30, 2028, you will be responsible for the **full connection cost**, which can be anywhere between \$40,000 to \$110,000 as opposed to the lower cost of \$16,000 with 0% interest available now.

The full cost of trucked water deliveries and sewer pickups will also be your responsibility if your home isn't connected by the deadline.

How can I get started?

- Review the RWSS Homeowners Guide and important information at rmwb.ca/rwss.
- Contact a certified contractor to discuss what the work connecting your home will entail. A contractor quote must be submitted for approval as part of your application. A list of certified contractors is available on the RMWB website.
- Your Municipal tax and utility accounts must be in good standing. Outstanding balances must be paid before your RWSS application can be approved.

Need help?

Connecting your home to piped water and sewer may seem complicated, but we're here to help guide you through the process. Call 780-743-7000 to learn more, ask questions, and get help starting your application.

Find everything you need to know about the Rural Water and Sewer Servicing Program, including more details on how to apply, at rmwb.ca/rwss.

Need help with your application? Book a one-on-one appointment!

The RWSS program provides piped water and sewer services to eligible residential, small commercial, institutional and vacant properties in these communities.

Applying to the program doesn't have to be overwhelming!

If you need help getting started, understanding the application process or completing your forms, we're here to help.

Book a one-on-one appointment with an RWSS team member to:

- Learn about the connection process and eligibility.
- Get help completing your application.
- Understand required documents and next steps.
- Ask questions about connecting your property to municipal water and sewer services.

Appointments are available for property owners **in Anzac, Conklin, Gregoire Lake Estates, Janvier and Saprae Creek Estates.**

Book your appointment today by contacting Pulse at 780-743-7000 or 1-800-973-9663.

Visit rmwb.ca/rwss to learn more about the program, review the application requirements and schedule your appointment.

Wood Buffalo

In Wood Buffalo, the Family Resource Network offers inclusive and accessible, community-based programs that serve the entire family unit ages 0-18.

Our Systems Navigator will help connect your children and family to appropriate supports and ensure access to opportunities and resources for improved health, wellness and connection.

Our family-focused programming is free and available for all Wood Buffalo residents living in rural communities.
