Be a great neighbour this winter!

Winter is coming, we all know how important it is to keep access to our properties clear of snow and ice during the colder months and being a good neighbour is important year-round! Remember:

- When clearing snow on your property, snow, ice and debris cannot be cleared onto roadways, ditches or your neighbour's property!
- Keep noise to a minimum between 10 p.m. - 7 a.m. on weekdays (9 a.m. on weekends and statutory holidays). Turn vehicles off. No idling unless it's below –20° or above 30°.
- Ensure sidewalks adjacent to your property are cleared of snow within 48 hours of snowfall.

Bylaw Services is increasing education and enforcement of the **Community Standards Bylaw** across the region with voluntary compliance remaining the goal. This includes commercial properties.

How do I report a concern?

If you see something that doesn't look (or sound) right, report it to Bylaw by:

1. **Online** - This can be done anonymously but the more information we have, the easier we can resolve the issue. **rmwb.ca/Pulse**
2. **By phone** – Call Pulse at 780-743-7000 or toll-free 1-800-973-9663

What do I do if I have something I need to fix?

Voluntary compliance is the goal! By reading the Bylaw, you can get a better understanding of what is required. If there is something that needs to be addressed, a Bylaw Officer may visit you to explain what needs to happen or you can call Pulse to get assistance from **Bylaw Services**.

In most cases, you will receive a warning initially before a remedial order or violation ticket is issued for non-compliance. The fine for non-compliance is $500.

Your efforts help create cleaner, safer and more welcoming communities for everyone.

Canada Post postcode updates

Canada Post recently updated postcodes in the Gregoire Lake Estates area, a postal code change with Canada Post **does not automatically update your mailing address with the Municipality.**

Residents are responsible for updating information with the Municipality whenever their mailing address changes.

Keeping your address up to date helps ensure you continue to receive important municipal information, including:

- Property tax notices
- Utility bills
- Assessment notices
- Other important municipal communications

An outdated mailing address could mean you miss an important notice, deadline or payment.

How to update your address

Address changes **cannot be completed by phone**, so please don't call Pulse to make this change!

You can update your address by:

Online: Complete the Municipality's Change of Address form online at rmwb.ca/AddressUpdate.

In person: Visit the Municipality in person to update your information.

Keep your new postal code handy! You will also receive a letter from the Municipality about the postal code change, this will have your updated postcode used, keep it as a reference when completing your address update!

Taking a few minutes to update your information can help make sure important municipal notices reach you when you need them.

Your EMS feedback matters

From the care you receive from paramedics at the scene to the ambulance ride to the hospital – we want to hear about your experience.

Take the EMS experience survey at **rmwb.ca/EMSreport**.

Your feedback will help us better understand community experiences with ambulance services and identify opportunities to improve.

For any questions, please contact Pulse

Residents in rural communities can contact the Regional Municipality of Wood Buffalo 24/7 by contacting Pulse via the following:

- 780-743-7000
- 1-800-973-9663 (toll-free)

www.rmwb.ca/pulse

Prepare for winter emergencies, enter to win a winter emergency car kit!

How do you prepare for winter emergencies?

Whether it's:

- Travelling with a winter vehicle kit,
- Having a go-bag packed and ready to go,
- Having an evacuation or shelter-in-place emergency home kit,
- Or preparing or practicing your family emergency plan.

However you prepare you and your family to be safe from winter emergencies, submit a photo of how you prepare and be entered to win a free winter emergency vehicle kit, **valued at $159!**

Not yet prepared for this winter? It's not too late! Learn how to build an emergency kit or family emergency plan at rmwb.ca/EmergencyPreparedness.

This is what you will be entered to win:

The contest is open to individuals and organizations from **Nov. 2 - Nov. 30.**

See full details, rules and enter to win at rmwb.ca/EmergencyPreparedness.

Bring outdoor skating to your neighbourhood:

Build a community backyard rink this winter!

Winter is on the way and so is skating season! The Community Backyard Rink program gives residents the opportunity to create temporary outdoor rinks on municipal property, making it easier for families and neighbours to get outside and enjoy winter closer to home.

Ready to build a rink?

Start by reviewing the Community Backyard Rink guide at rmwb.ca/CommunityRinks. The guide includes information about applying, choosing a location and building and maintaining your rink.

Approved applicants are provided with insurance coverage under the Municipality's insurance policy. Remember, approval is required before building a rink on municipal property. Unauthorized structures may be subject to fines and removal.

Apply online

Applications are open throughout the season, but residents are encouraged to have their rinks built by **Dec. 31**. Any approved outdoor rink (with boards) must be removed no later than April 1, 2027.

Apply through the Municipality's E-Permitting portal and find everything you need to get started at rmwb.ca/CommunityRinks.

If you have questions, please contact Pulse at 780-743-7000.

Anzac Seniors' Lunch & Bingo
Join us for lunch, bingo, and great company!
Anzac Recreation Centre

Regional Municipality of Wood Buffalo

Carbon Monoxide (CO) Awareness Week is Nov. 1-7

Be safe this winter.

Make sure there's a working Carbon Monoxide CO alarm on every level of your house and near every bedroom. Test them every month. If your CO alarm sounds, leave the house immediately.

CO is a poisonous gas that has no colour, taste, or smell. It is impossible to detect without an alarm.

Know the signs of CO poisoning - symptoms may be flu-like and include dizziness, headache, nausea, shortness of breath, confusion and blurred vision.

Any appliance which runs on fuels like propane or natural gas can produce CO gas. A vehicle left running in a garage can also cause CO to enter your home.

Have heating equipment and chimneys inspected by a professional every year, before cold weather really sets in.

- If you need to turn on your vehicle to warm it up, don't leave it sitting in the garage while the engine's running. Warm it up outside.
- During and after a snowstorm, make sure the vents for the dryer, furnace, stove, and fireplace are clear of snow build-up.

Visit **rmwb.ca/fireprevention** for more carbon monoxide safety tips.

Please join us for
Wood Buffalo

NEWS RELEASE
FOR IMMEDIATE RELEASE

Santa Claus Parade returns on December 5

Join in the holiday cheer by registering a float by November 19

(Fort McMurray, AB – October 22, 2026) – The Santa Claus Parade and Council's Starry Night return to Fort McMurray Wood Buffalo on Saturday, Dec. 5. Help spread the holiday spirit by joining the parade or volunteering!

Register a float or walking group
Local businesses, organizations, groups and teams are encouraged to join the parade by registering a float or walking group. The deadline to register is Nov. 19, 2026. Register today at rmwb.ca/santa.

Fundraise
Help make the Santa Claus Parade a success! Fundraising opportunities are available for non-profit organizations or a group fundraising on behalf of a local non-profit. Roles include Barricade Monitors, Sidewalk Safety Elves, Toyshop Team and General Event Support. Apply by Nov.19 at rmwb.ca/santa.

A night of community, lights and celebration
Join Mayor and Councillors for hot chocolate & bannock, watch the lighting of the community tree and tipi at kiyām Community Park before enjoying the parade along Franklin Ave.

Council's Starry Night:

Date: Saturday, Dec. 5, 2026

Time: 5 p.m.

Location: kiyām Community Park

Santa Claus Parade:

Date: Saturday, Dec. 5, 2026

Time: 6 p.m.

Location: Franklin Ave. (Main St. to Reidel St.) (Sensory-friendly zone – Main St. to Franklin Ave

The parade will begin on Main St., the designated sensory-friendly block at 5:45 p.m., lights and sound will start at the intersection of Main St. and Franklin Ave., then continue south on Franklin Ave. ending at Riedel St.

For any questions, contact Pulse at 780-743-7000, toll-free at 1-800-973-9663 or online at rmwb.ca/pulse.

Media inquiries: -media@rmwb.ca

Get to know your new recycling collection service

Your residential recycling is now collected by **Collective Waste Solutions** and managed by **Circular Materials,** a national not-for-profit producer responsibility program.

Curbside recycling carts
Circular Materials recycling carts were delivered, along with a recycling guide and a collection schedule, to residents from late September to early October. If you didn't receive a cart, call 587-855-3928.

Cart placement
On your recycling collection day, simply place your recycling cart out in the same spot where your garbage cart is collected. Ensure your recycling cart is at least 3 feet away from fences or vehicles. Residents on rural one-way roads should place carts on the designated collection side.

RMWB recycling schedules
Recycling will be collected **weekly** in Anzac, Draper, Gregoire Lake Estates, and Saprae Creek Estates, and **every two weeks** in Conklin, Fort McKay, and Janvier.

Please note: Your recycling collection day may have changed on October 1, 2026. Recycling collection **will** continue on statutory holidays, except December 25, 2026, and January 1, 2027.

What about Depots in the RMWB?
All local depots will remain open for residential recycling using a single-stream system, allowing all recyclables to be placed in the same bin.

Where can I find more information?
To learn more visit circularmaterials.ca/wood-buffalo.

Download the Circular Materials app and set reminders for your recycling collection days see what goes in the bin.

For questions or issues related to residential recycling, contact Collective Waste Solutions at cmcustomerservice@collectivewaste.ca or 587-855-3928.

Summer construction season is underway! Applications are still being accepted for program activities for the 2026 connection season.

The Rural Water and Sewer Servicing (RWSS) connection program provides piped water and sewer services to properties in Anzac, Conklin, Gregoire Lake Estates, Janvier and Saprae Creek Estates. This includes residential, small commercial, light industrial, institutional and vacant properties.

Steps to Connect

🟩 **1. APPLY**
Download the application package at **rmwb.ca/rwss** and submit completed forms to rwss@rmwb.ca. Application packages are also available at rural contact offices. You may authorize a certified contractor to apply on your behalf.

🟦 **2. ELIGIBILITY REVIEW**
Once your application is received, it will be reviewed by the RWSS Team to confirm property ownership (on title) and that all RMWB tax and utility accounts are in good standing.

🟧 **3. CHOOSE A CONTRACTOR**
Select a certified installer from the Alberta Municipal Affairs Private Sewage System Installer Certification List. Request a quote and discuss the scope of work.
Find local certified contractors at **rmwb.ca/rwss**.

One-on-one help available

The RWSS team is here to guide you through the process. If you have questions, visit your local municipal office or call Pulse at 780-743-7000.

COMMUNITY PROGRAMS & EVENTS

NOVEMBER 2026 ACTIVITIES & NEWS

Anzac Family Community Support Society
