Updates to the Rural Water and Sewer Servicing (RWSS) connection program

Great news – at the May 19, 2026 Council Meeting in Anzac, Council approved an extension to the Rural Water and Sewer Servicing (RWSS) connection program period.

The eligibility period has now been extended **from five to seven years**.

What does that mean for residents in Janvier?

If you haven't connected to piped water and sewer services, you now have until **June 30, 2028** to take advantage of the significant savings offered through the RWSS program. As of Jan. 31, 2026, 29 homes in Janvier have already connected to municipal systems.

What happens if I connect after the program period has ended?

After the deadline of June 30, 2028, you will be responsible for the **full connection cost**, which can be anywhere between \$40,000 to \$110,000 as opposed to the lower cost of \$16,000 with 0% interest available now.

The full cost of trucked water deliveries and sewer pickups will also be your responsibility if your home isn't connected by the deadline.

How can I get started?

- Review the RWSS Homeowners Guide and important information at rmwb.ca/rwss.
- Contact a certified contractor to discuss what the work connecting your home will entail. A contractor quote must be submitted for approval as part of your application. A list of certified contractors is available on the RMWB website.
- Your Municipal tax and utility accounts must be in good standing. Outstanding balances must be paid before your RWSS application can be approved.

Need help?

Connecting your home to piped water and sewer may seem complicated, but we're here to help guide you through the process. Call 780-743-7000 to learn more, ask questions, and get help starting your application.

Find everything you need to know about the Rural Water and Sewer Servicing Program, including more details on how to apply, at rmwb.ca/rwss.

Need help with your application? Book a one-on-one appointment!

The RWSS program provides piped water and sewer services to eligible residential, small commercial, institutional and vacant properties in these communities.

Applying to the program doesn't have to be overwhelming!

If you need help getting started, understanding the application process or completing your forms, we're here to help.

Book a one-on-one appointment with an RWSS team member to:

- Learn about the connection process and eligibility.
- Get help completing your application.
- Understand required documents and next steps.
- Ask questions about connecting your property to municipal water and sewer services.

Appointments are available for property owners in **Anzac, Conklin, Gregoire Lake Estates, Janvier and Saprae Creek Estates.**

Book your appointment today by contacting Pulse at 780-743-7000 or 1-800-973-9663.

Visit rmwb.ca/rwss to learn more about the program, review the application requirements and schedule your appointment.

The poster features a background image of a suburban neighborhood with houses and trees. Overlaid on this is a large, stylized title 'Be BearSmart at home' in a green, textured font. Below the title is a list of ten checklist items, each preceded by a small square checkbox. To the right of the list is a map of Alberta with the 'BearSmart' logo. At the bottom left, there is a block of text providing publication details. At the bottom right, the 'Government of Alberta' logo is displayed.

Be BearSmart at home

- ☐ Never leave food out for wildlife.
- ☐ Always keep your garbage in a garage or in a bear-resistant container until it can be removed from your property.
- ☐ Remove bird feeders from your yard between April and October. Clean up spilled bird seed regularly.
- ☐ Store pet food indoors and bring in pet dishes overnight.
- ☐ Thoroughly clean barbecues after each use and store them in a garage.
- ☐ Cover compost piles with soil or lime or use an indoor compost.
- ☐ Ensure that all fruit and berries are removed from trees and shrubs as early as possible.
- ☐ Talk to your neighbours about being BearSmart at home.
- ☐ If there's a bear in your community, call the nearest Fish and Wildlife office at 310-0000 or, after business hours, the Report a Poacher line at 1-800-642-3800.

Fort McMurray: Increased Air Traffic

Aug 30, 2026 – Cold Lake, Alta. – National Defence / Canadian Armed Forces

4 Wing Cold Lake, Alberta will conduct military training at Fort McMurray International Airport from 31 August to 4 September 2026.

During this period residents of Fort McMurray and the surrounding areas may notice increased air traffic and military activity. The training will involve CF-18 Hornet fighter aircraft and be supported by civilian patterned military vehicles.

4 Wing and Canadian Forces Base Cold Lake values its relationship with its northern community neighbours and appreciates the continued support of the residents. Every effort will be made to minimize noise impacts and reduce disruptions to the community while ensuring essential training objectives are achieved.

These training activities are carefully planned and closely controlled to ensure public safety and provide valuable opportunities to maintain collective readiness and operational effectiveness.
