

2017-07-12 to 13 Seawatch Video Inspection

As a part of the regular monitoring program for the Seawatch Concordian neighbourhood, video inspections were conducted on July 12 and 13, 2017. These video files are too large to upload to the regular District of Sechelt website, so they are posted on our FileShare server share.sechelt.ca:

- **Link will be active until July 3, 2018.**
- Please email cao@sechelt.ca or call 604-885-1986 for access to these files if the link has expired.

The reports and .jpg images for the July 2017 video inspection can be found on the regular District of Sechelt website (search by date):
