

**DISTRICT OF SECHELT COMMUNITY WELLNESS AND
SAFETY TECHNICAL WORKING GROUP**

Meeting Highlights

September 1, 2026

Highlights from the September meeting of the Community Wellness and Safety Technical Working Group include:

New building – Sunshine Coast Community Services

Servicing the new building is now complete.

Empty lot on Ebbtide

The grass was cut and maintained.

Space at Raincity

There is space at the shelter. Outreach is working with unhoused residents and encouraging them to come inside, especially as we move into the fall and winter seasons.
