a) Strategic Plan

J Empey advised that the Strategic Plan should not have been shared yet as it was still in draft. Queen's also noted that it should not have been shared. Board will get a full draft as soon as it is received. C Saumure advised that the KPI's are very important.
ACTION: It will be shared with Board to review and come forward in November.

b) Budget Monitor – September (Chief)
J Empey advised that the service is currently under budget but warned that there are always things that come up at the yearend reporting. Overbudget on the overtime line but there is some funding. This will be shown in the end-of-year report. Looking good otherwise. C Saumure noted that staffing is the lion share of the budget.
ACTION: Information only.

c) Aggregated Training Data (Chief)
This was shared with Inspectorate of Policing and will be shared on the website. Need to ensure officers are adequately trained.
ACTION: Information only.

d) Report on Aggregate Disciplinary Measures (Chief)
This report will also be posted on the website. Will be a 6-month report to the Board, so Board knows of any disciplinary measures that are done.
ACTION: Information only.

e) 2027 Budget (D Chief)
- Possible December Meeting for budget purposes only

Presentation attached as Appendix A. Hopes to meet with Board in November/December to discuss budget. Capital needs were discussed. Containers need attention as they are showing wear.

Looking for prebudget approval for a replacement vehicle. Vehicle expected by mid 2027 as it takes time to arrive. Also looking at vests and ceramic plates for front line officers as the current ones are at end of life. Vests are not optional. Take about 8 months to come in.

C Saumure volunteered his expertise on how the Board can look at the storage containers. Not speaking for his company.

R Dopson asked for options or comparators for the purchase on the vehicle.

Moved by A Howard
Seconded by C McGuire
THAT the Smiths Falls Police Services Board give authority to the Deputy Chief and Staff Sergeant to investigate/source a new vehicle to replace 2018 explorer with upset limit of $120,000
Carried

Deputy Chief given approval to purchase new vests. D King noted this is an expenditure the Board should expect on a usual basis (5-year replacement). Takes about 8 months for a vest to come in.

C McGuire would like to also get operating costs. D King noted this is our first hybrid, but we can track costs.

f) Proceeds of Crime
This is a bylaw in place that allows the Board to allocate unclaimed proceeds in their community to charities. $15,496.58 currently in the account. Bylaw to be sent around and a list of where funds have been sent in the past.
ACTION: Bring forward to the next meeting. Anyone wanting funds to reach out to K Costello. Can also be shared on social media.
