EXTERNAL EMAIL. Please check sender.

Hello Renee and Shelley,

Per Quinto's direction, I have provided an updated draft Schedule "A", which better reflects how the lands are described in the draft agreement.

I need to confirm:

Buffer Lands
Developable lands
Non-developable Lands (assume these are the Buffer and Little Lake lands?)
Are the Little Lake Lands part of the Annexed Lands to Barrie?
Are all the Little Lake Lands subject to the conservancy (Springwater and Barrie)?

I understand that Quinto is seeking similar clarification in the agreement too, following which I can update the Schedule accordingly.

Thank you,
Sally.

Renee/shelley

I am attaching 4 schedules which should go with the agreement I just sent you. Please make sure council is aware that together, they constitute the hybrid approach taken in both agreements. They need to be consolidated into a revised schedule A and get attached to what I sent you but I did not have the time to make that technical change. I will have my office do that in the coming days. You can use these for now.
