Subject: RE: Privileged and Confidential - Joint Statement

Good morning William,

Just a note to share that I spoke with Mayor Coughlin last Friday night – she was inquiring about the joint statement as well. I reiterated that it remains as it was when we went over it and that it was with herself and Mayor Nuttal to advise when they want it out. Was there any further update about it? If we can receive a clean / final copy we can forward it along to the Mayors EA for follow-up with Mayor Nuttall's communications team?

Let us know if there is anything needed on this end to move this forward.
Appreciate the assistance.
Stacey

William,

We shared the package of information with the Mayor and we have not heard anything else. We understood that we were waiting for Mayor Coughlin and Mayor Nuttal to connect on this and decide when to release it. We are happy to connect anytime. At this time, any media inquiries are just being sent to Mayor Coughlin to follow-up with and she has the information package with the recommended approach.

Very best,
Stacey

Hi Stacey,

Gestalt was just inquiring about the joint statement. They noticed it hasn't gone out and are wondering if anything more is needed. They think it should go out as soon as possible given the recent developments at Queen's Park.

Thanks,
Will
