Michael,

Appreciate the note and not a worry at all - we sent the attached note out yesterday afternoon to close the loop and hopefully move on from it. Council had also petitioned for a special meeting on the topic with a request that Bruce Engell attend, hence the note at the end and our push to send something out before the end of day yesterday. There remain no concerns in terms of how this was handled, and my thanks again for the assistance. Unfortunately, it has just been a very difficult environment the last while.

Very best,
Stacey
