Michael,

We don't have a copy of it… if it was sent to her in her capacity as Mayor, I feel like we should have it looked at?
So many questions.

Good morning Michael,

Would you have a few minutes to assist me with a response to the note below from a local reporter? I was thinking something along the lines of the Township has no comment with respect to this matter as it is of a personal nature. If it would be helpful, I am happy to jump on a call as this came up in the open session of Council on Wednesday.

Very best,
Stacey

Hello CAO Forfar

I hope this note finds you well.

At the township's council meeting Wednesday night, I was given a copy of a cease and desist letter that was sent to Mayor Coughlin on Dec. 19 via email to her Springwater Township email address.

I talked with the Mayor yesterday yesterday and she said she did not send the email to anyone.

Can you advise how an email addressed to the mayor's personal email at the township could be accessed by someone other than the Mayor?

Thank you
wayne
