**EXTERNAL EMAIL. Please check sender.**

Good afternoon Ms. Marshall,

Please excuse the interruption, but I was wondering if the link for the meeting of council that John will be presenting his strong mayor powers presentation at is yet available? Some of the other lawyers that work with John would like to attend (virtually, and on their own time). We are hoping that in this way, some of our younger lawyers could gain exposure to the new legislation and John's interpretation of it in the context of a municipality newly granted SMP.

If you have any concerns at all, please do not hesitate to let us know.

Thank you for your consideration,

**Katie MacDonald** (she/her)

John,

Yes, virtually works for us! Do you provide your presentation before hand to publish on our agenda? If so, our agenda will be published May 1st so we would need it by April 28th.

Jennifer,

My one concern if it is a training session in closed under s. 239(3.1) of the *Municipal Act, 2001*, the sole purpose must be for education and training.

My own view is that I think the session may very probably raise real life questions of application of the legislation which might be problematic to do in a closed "education and training session".  I am OK either way you wish to go but if the session is under s. 239(3.1) all the questions should be "hypothetical" in nature.  My personal preference is to avoid the silliness of "hypothetical" questions and to do the presentation in open session.

Hi John,

That is fantastic, thank you! Have you been doing this training in closed session with Councils? Are you okay with doing it in open?
