William,

With thanks for the note, appreciate it – there is no rush on Mayor Coughlin's end, just wanted to check in on the timing.

Very best,
Stacey

Hi Stacey,

Attached is the final communications document from Gestalt.

Regarding the joint statement, Bakir followed up with Mayor Nuttall, who has confirmed the latest version, but Mayor Nuttall requested a couple more people review it internally and he is confirming the final date of the bill. If it is happening tomorrow or Tuesday, he wants to hold the statement until then. If it is coming later, then he is comfortable releasing it tomorrow. I will let you know when we have the update from Gestalt.

Best,
Will

William,

Just a quick note to see if there is any update on the joint statement that Mayor Coughlin and Mayor Nuttall were going to be making. We thought we ended it last week that is looked good from Mayor Coughlin's lens and that Bakir was going to loop back in with Mayor Nuttall and/or his communications person to make arrangements for

a coordinated release. No urgency, it is our understanding that Mayor Nuttall has returned back in country just today. It is just on our list for follow-up.

When you have a chance, if there is any update we can share with Mayor Coughlin it would be helpful.
With thanks,
Stacey
