EXTERNAL EMAIL. Please check sender.

It is very good. I would consider the following:

That Township Legal services be directed to enter into a Framework Agreement with Loopstra Nixon LLP whereby, in exchange for the all inclusive sum of $60,612.97, that all matters related to any accounts rendered by Loopstra Nixon LLP to the Township related to the Barrie Boundary Adjustment, as well as all matters between the Township and Loopstra Nixon LLP related thereto, would be settled such that no further proceedings or steps could be commenced or continued by Loopstra Nixon LLP against the Township related thereto.

Then I can go back to Chris Lee and say that those are the instructions I have, take it or leave it.

Michael,

Please find attached our proposed report for Closed on April 1 – could you please take a look and re-work the recommendations and the description around the next steps so it makes sense. Any and all suggestions welcome. Not convinced that part is nailed.
