Good morning,

Looks like we are going to try for July 29th at 5PM. I just have to poll my council for their availability, but I'll confirm with you by end of day today.

The agreement with the province is included in the repository of documents, noted in line 45 of the index. If you need me to send it again, let me know.

Thanks,

HI Renee

I have July 29, 30 and 31available. I am available any time on those days.

Please let me know which date works best. Please also let me know if it would be in person or virtual. Either works fine for me.

Also, please send me a copy of the confidentiality agreement that the Township signed with the Office of the Provincial Facilitator respecting the confidentiality of the proceedings so that I may better answer council's questions around waiver of privilege when they are asked.

Regards

Quinto

Good afternoon Mr. Annibale,

I am reaching out to seek your availability to present the opinion to Council at an upcoming closed session. Could you please provide me with your availability over the next few weeks. This meeting would need to be scheduled after 4 or 5pm to accommodate Council work schedules. Once I have your availability, I will canvas staff and our engineer and confirm a date from there.

In addition, staff and engineering are just starting to review your opinion. I will be asking them to send any points of clarification/questions they may have and will forward them along to you for review and consideration.

As a side note, I have already received questions from Council regarding the waiving of privilege, so you can expect that Council will ask for a detailed explanation on the effect of releasing the opinion. Specifically, advice on releasing the opinion, in whole or in part, without contravening the confidentiality requirements of the facilitation process.

Thank you,

Hi Renee

The correspondence was sent to the mayor, council, the clerk and yourself. We blind copied everyone so that the thread did not start a dialogue amongst all recipients.
