Hi Stacey and Renee,

Attached for your consideration is the proposal from Sussex. The primary points regarding their proposal are on pages 4-6. These align with what was discussed yesterday (securing provincial support and getting messaging back to the benefits for the Township). There is no budget included at this time, but the rates are on page 7 (and reference to the main team members whose rates will be applied are on page 8). The balance of the terms of the engagement are standard (e.g., billing practices, confidentiality, and so on).

If you have a chance to review this before our meeting tomorrow, perhaps we can discuss it afterwards, and then we can take any questions you may have back to Sussex for review over the weekend.

Have a lovely night and see you tomorrow.

Best,
Will
