Renee,

No concerns on my end. I am certain 4 members are well aware of the correspondence. I think the other 3 members should be advised.

Hi John,

One addition question for you. I have not circulated last nights notice from Loopstra re the judicial inquiry. I am anticipating that I will be receiving calls about this shortly and was wondering if there was any concern with me forwarding the Loopstra email to Council simply as an FYI at this time?

PRIVILEGED & CONFIDENTIAL

Renee,

Attached is a revised draft for your consideration. I wanted to get you something back when you discuss with the Mayor so you can put something in front of her.

- I think we really need to include the 5th recital
- I revised the references to provincial priorities to just s. 1 of O. Reg. 580/22
- I added some more text to the reasons for the veto and making explicit reference to the request for a judicial inquiry

It is still a work in progress. We need to check the dates as I thought some were not correct.

I have attached a blacklined comparison for your ease of reference.

John
