Subject: RE: Proposal for Legal Services - Municipal Annexation/Restructuring - CONFIDENTIAL

Good Morning Quinto,

Thanks again for agreeing to assist the Township of Springwater as it pertains to this matter. We do not have a standard form/agreement for these types of engagements, if this is something that you require and are able to provide a standard form, we would be happy to review and execute accordingly.

At this moment in time, we are currently working with the Provincial Facilitator along with the other parties, City of Barrie, Township of Oro-Medonte and the County of Simcoe through facilitated discussions. We have recently all agreed to engage the services of Hemson Consulting to undertake a Land Needs Assessment to determine whether the City of Barrie does indeed require additional employment lands outside of their current municipal boundaries. We have only recently commenced this process. Once stage one is complete (tentatively scheduled for the end of September, early October), we may need to engage your services at that time. Until then, I have attached a link to the Township's website which provides some background on this matter.

City of Barrie - Boundary Expansion Request

We will be in touch closer to the end of this month or early October.

My apologies for the delay in responding. I would definitely like to move forward with this retainer. Kindly advise if you would like us to sign a retainer agreement and if so do you have a standard form?
