Collection Tips

- * On collection day, set carts out by 7:00am and remove by 11:00pm.
- * Place carts at least 1m (3.3ft) away from objects to the rear or side and 3m (9.8ft) from above.
- * Layer between wet and dry organics with newspaper, food soiled cardboard or paper towel.
- * Extra bags of waste require bag tags.
- * Place only acceptable material in the carts.
- * Do not overfill carts so the lid does not close.
- * Weight restrictions for large carts is 100 kg (220lbs) and for small green carts is 50 kg (110lbs).
- * Do not block collection routes with vehicles and trailers or other material and items.
- * Trim overhanging branches and overgrown vegetation to provide a safe route for collection of the carts.
- * Do not remove carts from the property they are assigned to.
