

2026 Curbside Collection Schedule

Your weekly collection day depends on which of the City's five zones you call home.

🗑️ Garbage, 🌿 organic waste, and ♻️ recycling are all collected on the same designated pickup day. Check the map inside this PDF or visit wetaskiwin.ca/waste to find your zone.

Curbside collection by zone

Each City zone receives curbside collection once per week. Your garbage, organics, and recycling are collected on your designated collection day, using different trucks at different times throughout the day.

Refer to this map to locate your zone. If you're still unsure, call 780 361 4400 Ext. 3 or email waste@wetaskiwin.ca to confirm.

- » Organic waste is collected weekly during the warmer months (May-October) and bi-weekly during the colder months (November-April).
- » Roll your garbage and organics carts to the curb by 7:00 a.m. on your designated collection day. Collection should be complete by 7:00 p.m.
- » Place your recycling at the curb according to the curbside recycling guidelines.
- » Bag your recyclable items and place them at the curb at least one metre (3 feet) away from your carts, vehicles, and other obstacles.
